

**CHALLENGE.**

Chancellor Avery, having set aside for Ivy Day, Wednesday, May 22, 1912, we, the active chapter of Tau Omicron Sigma, commonly known as "Spikes," pursuant with past custom, hereby officially challenge the active chapter of the Iron Sphinx to a baseball game to be played on the afternoon of the above named day for the usual trophy.

While we realize it is neither customary nor necessary to present our line-up, it is with a feeling of pride that we do so.

Our outfield consists of a trio of the cleverest clover trodders ever presented before a University audience. Finy Gellatly, Phil Southwick and Buck Temple. Our infield and battery are in the same class with the above mentioned gentlemen. First base, Chet Dobbs; second base, Warren Howard; third base, Gordon Beck; shortstop, Earl Hawkins; pitcher, Arn Grimm; catcher, Sam Waugh.

Every member of the squad is practicing daily at Camp Avery and will unquestionably be in fighting trim.

We also have procured the services of a cute little water carrier and bat boy, namely, Robertson Harley. He will be ably assisted by Wally McDonald and Bill Goehner. Robertson also has induced a certain blonde coed to lead the male rooting sections. Phil McCullough has promised to don a white collar for the day and in consideration thereof we have given him full control of the rooting among the co-eds, for whom a special section has been reserved.

We sincerely hope and trust the above challenge will be accepted and an early response will be esteemed a favor.

COMMITTEE.

**ELEVEN DEBATERS TO SPEAK**

(Continued from page 1)

Eastern district by winning from Fremont, from Blair and from Weeping Water, will be represented by Edgar Kiddoo. He is sixteen years old and is on the team this year for the first time, although he was before that an active member of the Gravel Debating Society. In scholarship his rank is high. He was president of his class the first semester this year and has taken an active part in all class affairs. Knowledge of the subject, keen rebuttal and forceful delivery won him his place. He is a brother of Guy Kiddoo, a senior in the University. He was a member of Edgar's debating team in the league in 1908-09. Taking up the debate work, he was chosen a member of the team from a squad of ten.

The Minden High School, which has won the championship honors in the Southwestern district, has selected Lawrence E. Benson to represent it in the state contest. Formerly living at Holdrege, he entered the Minden High School as a sophomore in 1909. He took up the work in debate last year and won a place on the team that won second honors in the district. He is president of the senior class.

The O'Neill High School and the Northern district will be represented by Rodger R. Ryan, a member of the senior class. Last year he was on O'Neill's second team which was defeated by Atkinson's first team. Mr. Ryan has made an excellent record in his high school work. He will be graduated also from the normal training course with credit. He is going to college in preparation for the study of law.

**First Year in League.**

The champion of the North Central district is the Fullepton High School, which is a member of the league this year for the first time, basing the work in debate last fall on a course in argumentation. The Fullerton team, in general charge of Superintendent C. W. Watson, and coached by Rev. A. G. McVay, a former Nebraska Wesleyan University debater, won from Hooper and Newman Grove unanimously and from Tilden

two to one. The school's representative will be Albert Bryson, a member of the sophomore class, who is carrying five subjects a semester in endeavoring to complete his course in three years. He has also taken first place for excellence in dramatic work in county contests.

Philip Tracy Kohl, son of Senator Philip H. Kohl of Wayne, will be the representative of the Northeastern district. Mr. Kohl has been on the Wayne team for three years and has made a fine record in argumentation and debate. He is a senior and ranks high in scholarship in the class of twenty.

**CADETS BREAK CAMP.**

Visitor's Day Was One Big Success, Closing With Enjoyable Hop.

When the readers of the Daily Nebraskan receive this edition of the paper the cadets at Crete will be striking tents and breaking camp preparatory to taking the one o'clock special for the return trip to Lincoln.

The climax of the encampment program was reached yesterday in the visitors' day, which was given for the benefit of friends and relatives of the cadets. At least three hundred guests came either by train or automobiles. The first "detachment," which included the sponsors of the companies and the chaperones of the day, arrived at 1:30 p. m., and was met at the station by the band and the whole regiment. After escorting the sponsors to the camp the cadets were dismissed for the afternoon.

A field meet was held and the companies competed with each other in various events. After the field meet a dress parade was held. K Company came out with the best line.

The regimental hop commenced about eight o'clock in the open air pavillion of the park. The dance floor was far too small to accommodate the crowd, but by dancing in alternate shifts, canoeing on the river, and strolling under the trees the crowd managed to pass a very delightful evening. The Lincoln train left at 11:20.

All students should visit the "College Inn Barber Shop at 127 North 12th. S. L. Chaplin, Prop.
