

POTTER BACK WITH SQUAD

Many Changes in Lineup Monday as Result of Saturday's Game with Freshmen.

Monday night the Cornhusker squad started back to work with an added impetus in the appearance of Herbert Potter, last year's rival with Jerry Warner for quarterback. Coach Stiehm appeared to have discovered some of the weak places in Saturday's poor showing, for he made a number of changes in the lineup of the regulars. Gibson was shifted from end to center, Howard from quarter to end and Potter taking Howard's place. Harmon was out in uniform and worked with the line, giving them practice in charging and tackling.

The Varsity spent most of the evening in running signals, which was done with lots of ginger and accuracy.

Last Saturday's game brought out many defects in the Cornhusker machine. The backfield played a good, consistent game, but were unable to make good gains owing to the inability of the line in opening holes for them. Ernie Frank made three touchdowns and kicked one goal, making all of the Varsity scores. All of the touchdowns were made from long runs.

Howard, the star quarter of last year's freshman team, handled the Varsity fairly well, but lacks experience. His punting was of a high class, and is at present running "Jimmy" Gibson a close race for punting honors.

The line is now giving the coach more trouble than anything else. The freshmen did not seem to have a great deal of trouble in breaking through, and several times caused the Varsity to punt or use the forward pass to make up ground lost in line plunges.

The freshman team played a strong game on the defense, but was weaker on the offense. In the backfield Rutherford was easily the star performer for the freshmen, several times carrying the ball for long gains. He is a good tackler and a strong player on the defensive.

MANY NEW BOOKS FOR LIBRARY.

Put on Shelves—Farm Will Get Important Parliamentary Reports Are a Departmental Library.

Over 3,000 books have been catalogued by the library since the passing of the 100,000 mark late last spring making a total of 103,000. This immense amount of work has kept Dr. Jewett and his corps of assistants hard at work all summer. One thousand nine hundred and eleven magazines have been bound and can now be obtained from the shelves.

By far the most important of the new books put on the shelves are three complete series of British Parliamentary papers. These include "Investigation and Inspection of English Factories," "Investigation of the Public Health in Great Britain," and two important reports of British royalty commissions.

The State Farm will receive a large consignment of books for secondary school work as well as a large number of reference works. This will partially relieve the congestion in the library on the city campus.

The Kansas Aggies have practically the same team as last year, with the addition of several new men in the back field. This will give the Aggies two sets of backs this year and the same advantage we had last year.

Minnesota lost the first game of the season to South Dakota by a score of 10 to 0. The Gophers had only one veteran in the lineup, and that was Tobin, fullback. For two-thirds of the game the ball was in Minnesota territory with the Gophers playing on the defensive.

Kansas plays its first scheduled game of the year with the Haskell Indians on the Haskell gridiron this afternoon. This contest will no doubt be a walkaway for the Jayhawkers, but it will give the coaches a line on the weakness of the Kansas machine.

Coach Griffith of the Drake football team has announced an innovation to be introduced in the games played at the stadium this fall. A megaphone announcer will explain penalties and keep the crowd informed as substitutes enter the game. This is a good plan and might be used to a good advantage, for it is rather hard to distinguish players in armor, and a great many rooters are not well enough versed in the finer points of the game to understand all penalties.
