Y. M. C. A. BUDGET CAMPAIGN
HALF COMPLETED.

MUCH REMAINS TO BE DONE

Subscriptions Taken in Proportion to
Number of Men Interviewed—No
Membership Fee Charged
This Year.

It gives me great pleasure to have an opportunity to express my appreciation of the good work that the Y. M. C. A. is doing in this university. I enjoyed especially the meeting that you had at St. Paul's Church during the winter, and believe a finer or more manly set of young fellows could not be found anywhere. It is indeed worth a great deal to the young man coming to the University to have the privilege of such associations as the Y. M. C. A. affords, and the opportunities offered are of the greatest importance in the formation of a student's character.—Chancellor S. A. Avery.

The second day of the finance campaign of the University Y. M. C. A. closed last evening at the meeting in the red room. Team leaders reported good amounts raised on the second lap of the campaign, although but one-fifth of the University men have been interviewed and the time is one-half gone.

The meeting last night was the last official gathering of the workers, although the canvas will be carried forward till the close of the week.

Personal Interviews Necessary.

This afternoon the teams will go over the list of freshmen again and reappoint all not yet assigned for interviews. This plan results from a conviction born of experience that the deciding factor for success is interviewing all the men. This feeling is justified by the experiences of all—their daily totals being exactly in proportion to the number seen.

No Membership Fee.

This campaign differs from preceding ones in that it has no connection with membership; the membership solicitation will be given special attention in the near future. However, it should be noted that no membership fee will be charged. Any man in school may join the Y. M. C. A. this year without paying the traditional fee.

GOVERNOR TO ENTERTAIN Y. W.

Is Annual Reception Given to Association—All University Women, Especially Freshmen, Invited.

The opening reception of the Young Women's Christian Association will be held at the governor's mansion on Saturday evening, October the 5th. Invitations have been issued to all the freshmen girls; all University women, however, are invited.

J. D. Schoonmaker, from the University of Minnesota, is visiting at the Sigma Nu house.

DEBATE TRYOUTS SATURDAY

Nine Places to Be Filled on Squad in Preliminaries—Otto Sinke Withdraws.

The second preliminary debate for the purpose of selecting the remaining nine or ten members of the Intercollegiate Debate Seminary (Rhet. 22) will be held Saturday morning. The hour and place of meeting will be announced some time today.

Six men were selected for this seminary, ordinarily known as the squad, last June, but of these Otto Sinke of Duncan, S. D., has withdrawn on account of other work. His place will have to be filled at the preliminary held tomorrow.

The subject for debate is, "Resolved, That all corporations engaged in interstate commerce should be required to take out federal charters, it being understood that such a requirement would be constitutional, and that federal license shall not be available as an alternative."

In order to draw for the order of speaking, all contestants are asked to meet today at 1 o'clock in U. 206.

PROGRESSIVE LEAGUE FORMED.

C. L. Rein, Anan Raymond and Jerome Forbes Elected to Manage.

University progressives met Wednesday night at the county court house and organized a University of Nebraska Progressive League. This club will be one of a large number of student clubs which the new party is organizing in all the large colleges and universities of the country, the national organization being known as the National Federation of College Progressive Leagues.

About thirty-five University students were present. The following were elected as officers: C. L. Rein, president; Anan Raymond, vice-president; Jerome R. Forbes, secretary-treasurer. Committees were appointed to prepare resolutions and circulate the membership roll.

Governor Aldrich will meet with the new club a week from Saturday, October 12, in the University Temple.

Club Tickets Not Limited.

A correction is made today in the Students' Sultorium ad. appearing in yesterday's issue. There is no time limit on the club tickets of this firm, whereas it was stated in error that a time limit of one month existed.

ANDERSON TELLS OF TRIP

Former Nebraska Track Captain Tells of Trip with American Olympic Team.

Louis R. Anderson, the first and only Nebraska man to serve on the American Olympic team, was a visitor on the campus yesterday.

Anderson was greeted by a host of friends, all of whom were interested in hearing him tell of his various experiences across the water.

While in college Louis was a prominent member of his class. He was elected to Innocents in his junior year, and is a member of the Phi Delta Theta fraternity.

METCALFE PUBLISHES PAPER.

Former Temple High Student Getting Out "Common Rumor."

The Common Rumor, a paper which "rumors" the news of the secondary schools of the city, is being published by Ted Metcalfe, an ex-Temple high student. It is an independent paper, owing allegiance to no particular school, and in it the football dope and society items of Lincoln high, Temple high, and the N. M. A. are impartially distributed. It is published semi-monthly and the second issue will appear Monday.

Wilson Men Notice.

All Wilson men of the University are urged to meet at the Lincoln Hotel at 5 o'clock Saturday evening to escort Mr. Wilson in his parade and reception. The democratic nominee is perhaps the most prominent college worker of the country, and deserves a monster turnout by college men. After his regular speech Mr. Wilson will address the University students and faculty at the Temple at 9 p. m.

CROSS-COUNTRY STOCK RISES.

With Twenty Men on Cinder Path Prospects Look Up—Five to Be Chosen for Team.

Captain Boggs of the cross-country team is a little more optimistic over Nebraska's prospects in cross-country than he was at the beginning of the week. He is still the only member of last year's team who is out, and as a result five new men will have to be chosen. This situation has brought out a number of promising candidates, but there is yet a good chance for new men.

Twenty men are on the cinder path daily in an effort to get into condition. Some of the men who have been out since the first of the week are running two miles regularly, but the majority are content with a half mile or mile jog. Boggs, Cutright, Anderson and Kubik are showing the best form at present, but at this early stage it is impossible to forecast the makeup of the team.

Temple Alumni Meet.

The first meeting of the Temple Alumni Association will be held tonight in the Temple building. All members will please take notice.

SOPH ENTERS RACE

PHIL SOUTHWICK OUT AS CANDIDATE FOR SOPH. PRESIDENCY.

POLITICAL SITUATION QUIET

Dennis Appoints Campaign Committee—Unrest in Freshman Class—Today Last Day of Filing for Presidential Race.

Phil Southwick, aspiring to presidential honors, pricked the sophomore political bubble yesterday and announced himself a candidate for the office. He is the fifth candidate in the field, under the new regulations, and is the only representative of his class to enter thus far. Whether it is a lack of interest or too-absorbing interest in other things, viz, study, which causes the light registration in this phase of college activities, is not known, but the fact remains that considering the records of former years there is a slump in the University political market.

Southwick, who would assume the reins of government for the sophomores, is a Lincoln man and is well known among his classmates. He was chairman of the hop committee for his class last year, and in other ways has gained a wide acquaintance among them. He is a member of the Phi Kappa Psi fraternity. So far as can be learned there is no one working in opposition to him.

No Further Candidates.

Mulligan still remains the only senior candidate. In the junior class there is no change in the contest, Trumble and Dickensen being the only men in the field. The juniors have shown more interest in the election than any other class, and as a result this class is the only one represented by two men.

Dennis, the only freshman candidate, is handling his campaign in a thorough manner and has appointed the following campaign committee: M. E. Thurber, Lincoln, chairman; H. E. Perkins, Lincoln, treasurer; B. L. Taylor, Lincoln, secretary; McMullen, University Place; Herold, Plattsmouth; Miliken, Fremont; Keys, York; Ackerman, Lincoln; Underland, Omaha; Elliott, Omaha.

Whether he will have opposition is not yet known. Filing closes Friday evening, and until that time the field is open to all. The feeling is being expressed openly by freshmen, however, that the office should not be given without competition. Lincoln is represented and backed by Omaha men to some extent, so the problem is to find a man from another place on whom the different elements may unite.

Little Interest Shown.

The situation all over the campus is quiet and unlike other years. In past elections a man was often "sprung" at the last moment, but with the publicity campaign which is being used (Continued on Page Three)
