

DOPE

The games last Saturday did not bring out much but old style football. The Chicago-Indiana game was the only one where the ball was in the air most of the time. About a dozen forward passes were tried and punting was resorted to frequently by Stagg's favorites.

The Gophers came back last Saturday and took Ames into camp. Tollefson's field goal, with Captain Hurst's safety, made the points in the game and let Minnesota win. Minburg, Ames' left halfback, had his arm broken and will probably be out of the game the rest of the season.

The largest score made in football last Saturday was 124 to 0. This was made by the University of Cincinnati against Transylvania.

The world's series starts today with both teams about evenly matched. Each team is depending on their heavy hitting to win for them. Boston has a little edge over the Giants in the pitching staff, but the latter have had the experience of one world's series.

Michigan has dated South Dakota for November 2 on the Michigan gridiron. This game was scheduled after the good showing South Dakota made against Minnesota.

OKLAHOMA IS CONFIDENT.

Outlook for Another All-Victorious Team Very Bright.

According to Coach Bennie Owen and Capt. Glenn Clark, the prospects for another all-victorious Sooner football team were never brighter at the beginning of school than they are now. Every member of the famous 1911 team is back fighting for his place on the squad except Moss, Nairn and Capshaw, last year's captain. Moss is not in school, while Nairn and Capshaw have played their allotted four years on the varsity. Both are seen in their ancient war togs on Boyd field, however, Nairn coaching Norman High and Capshaw assisting Coach Owen to round the men into form.

Besides the old men there is abundant new material, and over forty candidates are now capering around Boyd field under the watchful and critical eye of Bennie. Already the gruelling work of kicking, tackling, getting down under punts and scrimmaging is the program.—The Umpire.

FARM FACULTY BANQUETS.

Dean Burnett Gives Speech of Welcome to Incoming Professors.

Friday evening the State Farm faculty gave a banquet at the Lincoln Hotel in honor of the new members of the faculty. Professor Chase was toastmaster. Dean Burnett welcomed the new members. Toasts were given by the several new members, and a concluding talk by Chancellor Avery. The new members present were Professor Bradford, new principal of the School of Agriculture; Professor Bliss, new head of the department of animal husbandry; Professor Morrill, new head of the department of forestry; Professor Eaton, in normal training; Professor Seaton; Professor Smith in physics and Lieutenant Bowman.

Experience Required at W. U.

For several years students of the four-year course in agriculture of the University of Wisconsin have been required to have had six months' practical farm experience before graduation. Heretofore in the two-year course no farm experience has been required, but from this time on such students must have had a year's work on the farm before entering the second year.

It is expected that this improvement in the two-year course will attract students who desire to return to the farm and practice up-to-date methods of agriculture.

CAST VOTES TODAY

(Continued from Page One)

Is a Temple High graduate and is one of the three Lincoln men in the race. He was one of the most energetic members of his class in high school.

C. S. Holcombe—Freshman candidate—Is from North Platte, and is pulling hard for the votes of the state members of his class.

Frederick MacDonald—Lincoln, 1912, is another freshman candidate who has entered the political arena. He bears a good record in high school debating circles.

B. A. Thomas—Is a Nelson candidate who aspires to the leadership of his class.

P. A. Warner—Is the third Lincoln man to enter. He has been prominent in the dramatics of his class in high school and is an engineering student in the University.

Much spirit has been shown by these freshmen candidates, and the freshman who is not called upon for support by one or more of these men will be hard to find. The latest word in freshman politics was spoken yesterday, when cards bearing the invitation to boost certain men for the office and giving a brief history of the candidates appeared on the campus.

The vote will be counted this evening and the curious will be able to ascertain the result later in the day, in all probability.
