Botany Pamphlet Popular.

The third edition of the botany pamphlet issued by the department of botany is now ready for distribution. The pamphlet contains the latest classification of plants that Dean Bessey has been able to make. Only nine copies of the second edition are left, as there has been so much demand for the book from outside sources.

Call Roy O. Warde, dance orchestra, Auto 7186, L-8152.

Alumni Coming for Visit.

Mr. and Mrs. L. M. Huntington are spending their vacation in Kearney and will visit the University in about a week. They are both Nebraska alumni, Mr. Huntington graduating in civil engineering in 1904. His experience since graduation has been wholly in the tropics, and he is at present in the employ of the Dominican.

Jones' Orchestra. Phone L-8605.

Bulletin 130.

The Nebraska Agricultural Experiment Station has just issued Bulletin 130, which is No. 11 of the North Platte Substation series. This bulletin gives the results of growing thirty colts. Some colts were grown almost entirely on alfalfa, while other colts were not given any alfalfa. This bulletin will be mailed free to residents of the state on request to Director E. A. Burnett, Lincoln, Neb.

Meet me at Green's, 120 North 11th.

Pass Civil Service Exams.

The eight foresters who took the civil service examination last spring all passed with good marks. This is an exceptional case and one to be proud of. The University of Nebraska wishes them great success in their work.

We have the best workman, the largest, most sanitary and modern barber shop and bathhouse in the city. Student patronage kindly solicited. Green's, 120 North Eleventh.

Pledges Announced.

Sigma Phi Epsilon announces the following pledges: T. B. Strain, L. E. Ewing and Elmo Lehr.

Camp Fire Girls Meet Today.

The Camp Fire Girls will meet at 5 o'clock in the Y. W. C. A. rooms Thursday evening. All girls interested in this meeting are invited to come.

Ladies' clothing cleaned, remodeled and repaired by an experienced dressmaker. Satisfactory work at reasonable prices. Mrs. Bricka, 315 South 17th. Auto B-4844.—Adv. 10-2 11

Foresters Returning to School.

The upper classmen in the forestry department are returning from their work on government forest reserves. These men have been working on the reserves in the west as well as in Kentucky. They are highly pleased with their summer's work and are ready to take up graduate or continue their undergraduate work.

Botany Department Gets Charts.

A number of charts have been received by the botany department and will be used by botany 3 and 4. These are of foreign make and their construction is unusually fine.

Dramatic Club Meets Tonight.

The Dramatic Club will hold the first meeting of the season this evening in their rooms in the Temple. At this meeting preparations will be made for the tryouts which will be held soon.

DOPE

Freshmen girls at the University of Kansas are reported to be extremely husky this year. Two athletic records for girls have already been broken by the yearlings.

Chicago University has the distinction of possessing one of the heaviest football players on record. His name is Craig Redmond of Peru, Ind., and his weight is 238 pounds. Redmond is a candidate for the freshman team.

Wisconsin's opening game of the season revealed a weak line, but a very strong backfield. Two touchdowns were made on forward passes back of the goal line, which show the advantages of the end zone.
