WANDERERS RETURN

We make so bold as to commend these pioneers of socialism for their daring and spirit of adventure in leaving home and mother—or frat-house grub—in a worthy attempt to inject a little more pep into the Nebraska spirit at the big game.

We need a good line—and we have it in KENSINGTON overcoats.

It required no courage this season to buy complete assortments of the newest models.

Our new KENSINGTONS were so refreshing in design and so distinctive in style and tailoring that their instant popularity was assured.

Our Overcoat Festival of Saturday and Monday has proved it—dozens of people who came to look were so enthused that they remained to buy.

Stop here today—see the much talked of fancy plaid self-backs, see the soft fronts and the shawl collars—try on some of our new ones which embody these features.

You owe it to yourself at least to know what the proper styles are—and we are eager to show you.
