

BAND BIG AID TO TEAM

Helps Cornhuskers All Through Game and Receives Many Compliments.

With much pep both in playing and rooting, Nebraska's band made itself a conspicuous character upon Northrup Field last Saturday. At no period of the game, even up to the last when Nebraska's chances were slowly dwindling away, did the strains of "I'm U. N. I." fail to urge our football warriors onward.

The band arrived in Minneapolis Saturday morning and was given a good reception by the team and the few Nebraska rooters that had accompanied the team. The band was paid many compliments by the Minnesotans' organization despite the fact that their band was composed of 100 pieces while ours only thirty. Between halves both bands paraded upon the field amidst enthusiastic crowds.

Comfortable arrangements had been made for the Nebraska rooters at the West Hotel and the management even went so far as to provide for a small

rally during the lunch hour before the game. This was received with great pleasure to the guests of the hotel as well as to the rooters.

J. L. FERGUSON

of Broken Bow,

United States Senator of Nebraska

By Petition

I am a farmer and was educated at the University of Michigan and am running for the office of United States Senator by request of business men and fair-minded farmers, and I stand pat against, and for the repeal of the PARCELS POST LAW, as it now stands, and I ask the support of every jobber, traveling man, merchant, railroad man, rural route carrier, drayman and every fair-minded farmer, as it is a vital question to all of them.

I have not asked for a penny to help me in my campaign, BUT DO ASK the support of every fair-minded voter in Nebraska.

Respectfully yours,

J. L. FERGUSON.

Broken Bow, Nebraska.
