VARSETY WINS WEEKLY SCRIMMAGE WITH RESERVES.

### STIEHM FEARS ADRIAN GAME

Hard Luck Still Follows Varsity Squad  
—Veterans in Poor Shape—Michigan Men Doped to Be in Fine Condition.

The weekly varsity freshman contest yesterday afternoon resulted in a victory for the varsity, and that is about all you can say for it. The freshmen scored the first touchdown on line plunges through the tackles and forward passes which they pulled off with great speed and accuracy. But after Purdy had intercepted a freshman forward pass and run forty yards for a touchdown the varsity began to wake up and rooted great holes in the first-year line.

Hyde, playing fullback, made good gains for the varsity through the line. He found the holes well and is a very clever dodger on end runs. Purdy played a stellar game as usual. His run for a touchdown put the pep into the team and they found little difficulty with the freshman line.

Coffee, fullback, made most of the gains for the first-year men through the line. He handles the forward pass well and did the kicking this afternoon in the absence of Rutherford, who is still out of the game on account of injuries.

The varsity were unable to successfully handle the forward pass in the game with the freshmen. Several trials proved to be a ground loser instead of a gain. The freshman, on the other hand, used it several times and got away with it in good shape. Several times they snatched the ball out of the hands of the varsity backfield and made good gains.

The Cornhuskers are in very poor shape to meet the heavy Adrian team tomorrow afternoon. Harmon and Potter will be out of the game sure, and probably Mastin, unless his shoulder improves rapidly before then. The battle tomorrow will be a furious one, for the Huskers are bucking up against a team of more than their own weight. The Adrian backfield is a heavy and also very fast one, and the Huskers will be satisfied with a victory and do not hope to roll up a large score.

The Adrian team left yesterday morning for Lincoln, and in all probability will arrive here this morning about 10 o'clock. They are in good shape and expect to give the Cornhuskers a good run for their money. The Adrian team as a whole weighs more than the Huskers. The Nebraska team averages 178 pounds per man, while the Adrian bunch tip the beams at 178. The Nebraska line averages 186 and that of the Michigan

team beautifully small, averaging 150. The Adrian backfield has it on the line for men about nine pounds per man and tip the scales at an average of 170 pounds.

The lineup and the weight per man: M. Ayers, 160; R. F. Mastin, 170; Swanson, 229; R. T. Pierce, 229; R. G. Hackett, 176; R. G. Rogge, 160; J. G. Webster, 226; L. G. Lambert, 126; J. T. McWilliams, 162; J. K. Marshall, 140; Q. R. Nichols, 150; L. H. Ballard, 175; R. H. Byrd, 196; F. B.

### TIGERS SEEK BLOOD

(Continued from Page 7)

they did last Saturday with Ames. Unless accidents occur the Tigers will have three quarters in first class condition in another week.

Two Tigers are on the sick list and did not accompany the team to Norman today. They are Knoble, half back, and Barton, left tackle. Both of these men are stars in their positions and their loss means much. Knoble has a fractured rib, while Barton is thought to have the tonsillitis. At any event both of these men will go against Nebraska.

The Jayhawker rooters are planning to accompany the team to Lincoln for the Nebraska game. They have secured a rate which is 89 cents lower than it has been in the past. Doble, the cheer leader, is firming on having all the "thundering thousand" present if possible, and a special train will probably be run for their accommodation.
