Columbia, Mo., Nov. 2, 1912. (Special Dispatch)

Coach E. O. Stiehm's Cornhusker pupils succeeded in winning from Brewer's Tigers this afternoon by a close margin, and only after the hardest kind of a battle.

The Missouri team put up a stubborn and formidable front to the attacks of the Nebraska machine, and succeeded in repulsing most of Nebraska's efforts to score.

Warren Howard played a stellar game for Nebraska. Although his stunts were not up to the usual standard, he did notable work in running down punts, and spelling interference. Max Towle, Captain Frank and Purdy all did good work.

The low score is accounted for by the fact that the Nebraska line could not open holes for the backfield, and the terrific fight that the Missouri team put up. Nebraska was penalized twice when the ball was within striking distance of the Missouri goal. In the kicking Missouri got a little the best of Howard and their kicks were long when Nebraska was near their goal, Missouri's offense was weak. Although they played hard they did not have the scoring machine. Nebraska's interference on end runs and fake kicks was wonderful, the fake kick was the best ground gainer with Howard or Potter carrying the ball. Stiehm says the team earned the one touchdown and Missouri played a great game.

Missouri won the toss. Nebraska kicked off to Missouri at 2:35 Allen kicking the ball on a short kick. The field was slippery but not muddy, both teams were off side for the first three or four downs. line plunges by McWilliams and Noble of Missouri put the ball in the middle of Nebraska territory and by end runs to Nebraska's 5-yard line. Harmon went in for Freitag at guard and Nebraska held. Missouri tried a forward pass over the line by Big. Purdy got the ball. Missouri tried a drop kick but the ball went wild.

End runs by Frank and Potter put the ball near the middle of the field. Nebraska's shift plays failed to gain very much.

Second quarter: Nebraska worked the shift plays through the line for good gains but the forward pass did not work. By end runs and plunges Nebraska put the ball on Missouri's 5-yard line but could not put it over. The ball ended in the middle of the field. Halligan's forward pass worked twice for 30 yards and Purdy gained

through line. Nebraska penalized 15 yards, putting the ball in Missouri territory.

Second Half: Missouri kicked off and Halligan returned the ball 15 yards. At the first of the half Missouri held both line plunges and end runs, throwing Nebraska for losses at times. Potter gained 15 yards on a fake kick.

The ball remained about the center of the field. Stiehm then made a change in the lineup, Irwin going in at guard and Mastin at end relieving Mulligan.

Missouri could not gain and kicked to Potter. Howard passed to Purdy for 15 yards. Mastin was taken out and Mulligan put in at end. Nebraska picked up and carried the ball to the two-yard line, but lost on downs.

Fourth Quarter: Potter gained 18 yards on a fake kick around the end but Nebraska was penalized and could not make the extra distance.

Towle went in for Potter and after one failure executed a forward pass to Howard for 25 yards. Nebraska's offense strengthened and by line plunges and trick plays carried the ball to the 4-yard line where Towle went over the right guard on a quarterback fake play for the only touchdown of the game. Towle kicked goal.

Nebraska had the ball most of the time in the fourth quarter and by fake kicks, forward passes and line plunges carried the ball to the 4-yard line. Purdy was sent into the line but hurt his ankle and dropped the ball, Missouri recovering it on the 1-yard line. Beck went in for Purdy. Missouri made a long kick and Towle was tackled in the center of the field.

Missouri tried to open up in the last few minutes of play but Halligan and Howard stopped their forward passes and fake plays. The game ended with Nebraska's ball in the center of the field.
