#### LEGISLATIVE ACTIVITY.

In a letter to the Nebraskan, pub cellent one.

pense. The authorities are agreed conditions many of the students' work. that material improvement is needed. How will this arouse Nebraska spir stantial appropriation.

Baily Nehraskan gree of personal influence that can be exerted is a question that can not definitely be determined, although it THE UNIVERSITY OF NEBRASKA, would appear that in so far as ulterior motive is concerned, the students' advocacy of a generous appropriation bill would not be tinctured with the Managing Editor ..... Merrill V. Reed idea of personal profit or advance-Associate Editor. Kenneth M. Snyder ment. The average student will have Associate Editor .... Cloyd L. Stewart left the institution before it will reap the benefit of many new buildings, Business Manager .... C. C. Buchanan and hence will have nothing but the

If the students are able to lobby without their enterprise becoming objectional it would seem that they gar, C. N. Brown, F. N. Wells, A. R. should be encouraged to exert their O'Hanlon, L. W. Horne, F. A. Turnure, influence at the capitol. At all events, J. R. Wood, I. K. Frost, Leon Samuer they should get together on the proposition, and if anything is found that they can do, the same should be done

### The Forum

Editor Daily Nebraskan

Two big things the university needs are letter equipment and University spirit. One is just as essential as the other to a successful, unified school. Here is a plan by which we can do at least a little toward strengthening

The legislature is now in session. lished in today's Forum, Harry Burtls for this representative body of men offers the suggestion that University we look for an appropriation comstudents enlist themselves in a cam- measurate with the needs of the Unipaign to entertain the legislature, the versity. No man will put his money idea being to arouse the interest of into a proporition he has not investithe legislators in the University and gated. If we ask what seems an exget them acquainted with the campus cossive amount we must show the and conditions that exist thereon. It necessity for it. This is our opporis In line with a series of suggestions tunity. Let's invite the legislature to that have been made from time to visit us. Take the members through time, and we conceive it to be an ex- tiniversity Hall. Let them walk down the rickety stairs, seat them in any The question of university appro of the rooms, which cannot be depriations is never a minor one with cently ventilated these days without the legislature, but this year it will freezing everyone near the windows, doubtlessly assume more than ordin-show them the danger from fire. Let ary proportions on account of the spe-them see the cadets drilling in the cial effort that the regents have taken Armory with only ten feet between to present the crying needs of the companies; take them down to the University. The removal question locker and shower bath rooms. Let will come up, te final solution of them look in on the Chemistry, Botwhich it is felt will be governed prin- any and Zoology laboratories. Then cipally by the consideration of exthey'll realize under what crowded

no matter where the campus is locat- it? We all claim to be boosters for ed and are therefore directing their the school. Here is a fine chance to energies toward the securing of a sub- prove that we are for every one who can do something to help. Let one or The students cannot do very much two students go with each legislator toward bringing this end about but as his guide. If possible have the host they can do something. They can and guest from the same district. Let at least instill into the solons a the rest of us prepare a display of the triendly attitude, which in a time of work that University students have pressing need might innure to the done for the state, and are now doing, benefit of the institution. The students in school and out. We would put the can bring the legislators up to the school on exhibition. Every organicampus and show them around which zation could have some definite work might bring home more favorably to do, every individual feel that he some of the facts brought out in the was aiding the good cause, even if reregents' printed report. As to the de quired to do nothing more than attend classes as usual.

> These men have the right to know what we are doing with our share of the state's funds and no one is better prepared to show them than we students. Let's get together and hold an open house for the state, as represented by its legislators.
