X-UNIS DEFEATED 46-13 WESLEYAN IS CONFIDENT COMMITTEES HARD AT WORK TO STUDY TOWARD END

OMAHA BUNCH PUTS UP SPIRITED FIGHT BUT HAS LITTLE SHOW FROM START.

PLAY RATHER ROUGH AT TIMES

Fank Jones Makes 6 Out of X-Uni's 13 Points—Amberson Stars In Offensive Work.

The Varsity basket ball team defeated the Ex-Uni. five last evening, 46 to 13. The game was closer than the score indicates, and furnished plenty of excitement for a fair sized crowd that lined the Armory. Nebraska rushed the ball from the whistle and threw some half dozen baskets before the ex-stars had found their feet. The score at the end of the first period: Varsity, 23; Ex-Uni, 9. Coach Stiehm showed his characteristic smile during the intermission and sent in a bunch of new men in the second half: Haskell, Hyde, Kelfer and Hanslik. These men injected much "pep" into the team at the expense of the ex-stars who collected but four scores to the Varsity's 23.

Football tactics were indulged in several times to the evident delight of the crowd, who applauded madly when the corpulent Haskell went sliding over a smooth stretch of polished floor. The bunch from Omaha were entirely out classed, but they took their defeat graceful enough, claiming that if they had to be beaten Nebraska was the school to do it. While the game was lively and hard-fought throughout, there did not seem to be the "deadly rivalry" that characterizes most college games, for there was no particular glory to be gained in beating one's own kith and kin.

Amberson and Jones were easily the stars for the Omaha crowd, with Jones scoring six out of the thirteen points. Amberson received much applause for his individual work both on the defense and in his repeated rushes on the Nebraska goal. He often succeeded in breaking the Varsity formation as soon as the ball was put in motion.

The second game will be played tonight and it promises to be at least exciting, if not close. This is the second time that the Omaha bunch have met defeat, since they started on their trip several weeks ago.

The lineup and individual scores:

NEBRASKA.		RG.	FT.	Pts.
Underwood, rf	3	0	6
Hyde, lf-rf	1	3	5
Hanslik, rf	2	0	4
Haskell, r-lf	2	2	6
Meier, lf	0	0	0
Stryker, c	3	0	0
Kelfer, c	0	0	0
Hawkins, rg	2	1	5

Captain Carrier Pointedly Replies That They Will Need It Plus—

STATE CHAMPIONSHIP AT STAKE

Wesleyan tonight, reports from the coyote camp bear the tidings that the student body is coming down in force to cheer their team on to victory against the Cornhuskers. Confident as they are over the overwhelming defeat they administered to Omaha Uni. Wednesday Captain Carrier asserts that they will need all their confidence and "several" goals.

Wesleyan quintet were undisputed champions of the state in 1911 and in 1912 were not defeated by any school against whom they played. The Grinnell college (Iowa) team conceded to be the strongest in Iowa met defeat twice at the hands of the Wesleyans. In 1909 Wesleyan defeated Nebraska in two games to the tune of 38 to 13, and 24 to 19.

With this enviable record at stake together with the present championship of the state those in attendance will be assured of a hard fight from gong to gong.

Lineup as follows:

Wesleyan.	Nebraska.
Kesster (Capt.).....rf.....	Haskell
Kline.....lf.....	Underwood
Johnson.....c.....	Stryker
Vitquain.....rg.....	Hawkins
Gary.....lg.....(capt.)	Carrier
Substitutes:	Nebraska — Hyde,
Meier, Kelfer, Howe, Kavan.	Wesleyan — Peck, Hugh, McGee,
	Kidd, Geise.

ALKALINE WATER FOR TESTS

In Event It Tests as Expected It Will Be Sold as Fertilizer.

An additional shipment of alkaline water has come in the Museum from A. C. Whitford in Custer county. If the water when analyzed is found to contain the chemical elements it is thought to contain it will be a very good fertilizer for Nebraska soil. This shipment makes a total of six barrels of bottled water sent from the lakes of Custer and Brown counties.

These lakes have always been a source of revenue to the land owners who are fortunate enough to be located upon them.

The Latin club elected the following officers for next semester: President, Grace Hanson; vice president, Marjorie Lichtenwallner; secretary-treasurer, Alma Blandin; student members of the executive board, Irma Gibson and Edith Parrish.

All Juniors and Seniors who want their pictures in the 1913 Cornhusker will have the same taken at Townsend's before February 1st. Three dollars covers the price of the photos and the cut.

All Debaters or Forensic Aspirants Are Urged to Get Out—Question for Debate to Be Announced.

The past week has been one in which the activity of the interclass debate committees has been resumed. A meeting was held Thursday for the purpose of deciding upon the question to be discussed but no definite decision could be arrived at. The meeting was therefore postponed and the committees will meet again early next week to decide the question and the dates of the tryouts and debates. It is essential that a start be made as soon as possible for the final debate is to be held on Phi Beta Kappa day which is usually the last convocation before Easter vacation.

The championship of last year was won by the Juniors who defeated the Seniors and Sophomores. Consequently the Juniors are showing more enthusiasm than the other classes and it is up to the other classes to get busy if they do not want to be defeated again this year. All students are eligible for the tryouts who are not carrying less than twelve hours work, except the speaking members of the two University teams.

The committees who have charge of the interclass debates as chosen early in the year are:

Senior—C. A. Sorensen, chairman; C. L. Radcliffe.
Junior—Harvey W. Hess, chairman; J. Noone.
Sophomore—H. G. Hewitt, chairman, J. C. Beard, Cloyd L. Stewart.
Freshmen—A. W. Ackerman, chairman, Wm. Ackerman, G. S. Everts.
Faculty Members—Prof. M. M. Fogg, Dr. Jewett, Professor Conant.

MISS HEPPNER COACHES PLAY

Has Seen "Die Journalisten" Given in Germany and is Eminently Qualified to Coach It.

Rehearsals for the German Dramatic club play "Die Journalisten," are now in full swing. Miss Heppner, who has for several years coached the German plays, is again in charge. While in Germany last summer she visited several presentations of "Die Journalisten" with the view of putting it on at the University. The play will be given March in the Temple theater.

Applications for positions on the Editorial and Business staffs of The Daily Nebraskan will be received by Prof. Aylesworth, secretary of the Student Publication Board any time before Saturday noon, January 18, 1913. Applications are to be made on blanks obtainable either at the secretary's office, U. 103, or at the Nebraskan office.

PURPOSE OF NEW VOCATIONAL GROUPINGS ARRANGED BY FACULTY OF COLLEGE.

POSITIONS ARE OFFERED MANY

Graduates Having Taken These Arrangements of Subjects Take Rank With Those Coming From "Colleges of Commerce."

As the second semester registration approaches students in the college of arts and sciences are beginning to express curiosity in regard to the "Vocational Groupings" announced during registration week of the first semester of this year. The announcements and bulletin concerning the new "groupings" came out so late and so unexpectedly last fall that arts students hardly had time to investigate them before registration had to be completed. In spite of this, the departments in which the "vocational groupings" were announced state that quite a number of arts students, mostly Juniors and Seniors, have succeeded in finding their way into the new order of things.

The idea of these groupings is to furnish the student with preparation for some occupation, or business in life, while he (or she) is acquiring a "liberal education" in this particular college. All of the regular "requirements for graduation" in the arts college are met by these new groupings, but from to sophomore to senior year they also include gradually increasing specialization along the line of work a student is planning to follow after graduation. The present "adviser" system prevents the formal opening of the "vocational grouping" to freshmen. But each group has a preferred freshmen group of courses, conforming to the requirements of the "freshman program," which will generally be accepted by the "adviser" of any freshman who has really set his mind upon such specialization.

These groupings take the place of the "school of commerce" found in most other universities of the country, and are really broader than such "schools," as they include similar specialization along lines of scientific, civic, and social employment, as well as along business lines. At present, that is for the second semester of this year, vocational groupings are offered along the following lines, under the advisership of the departments indicated:

General business, banking, insurance, transportation, consular service, civil service—the department of political economy.
Businesses involving a knowledge of real estate and land values—the department of geography.
Country newspaper work, advertising, Spanish-American salesmanship and investment—the department of American history.
