MANY LIVE EVENTS PLANNED

Good Indoor Meet, Band Concert, Boxing Match and Matinee Dance on Charter Day.

The "Charter Day" meet promises to be one of the biggest school events this semester. It is the only athletic event of the year open to the students of both the University proper and the "Farm." Dr. Clapp, Guy Reed and Art May, chairman of the inter-class athletic board, have all been working to make the affair a success. The elimination competition for the meet will be held at the gymnasium on Wednesday afternoon at 4 o'clock. The contestants will be eliminated until but six are left with one exception. The 25 yard dash will have eight men left so as to make possible two heats and a final. All entries must be in by 6 o'clock on Tuesday the 11th. No one will be allowed to enter later than this.

There are seven events for individual competition and an inter-class relay race. Practice has been going on briskly of late and several records will probably be smashed. Medals will be given this year as an inducement to the men to get out, gold medals for a first place, a silver medal for second place and a bronze medal for third place. These medals are given for all events except the relay. They will be on exhibition in "U" hall before the meet.

There are many special features this year. The best of these is a boxing bout between "The Terrible Turk" Frank and "Cyclone Sam" Waugh. The fight is said to be for a \$10,000 purse so a great "go" is assured. This is an extra inducement to the sports of the school.

A matinee dance in the chapel will please the girls and all the frivolous of the opposite sex. For those who have wooden legs and are unable to dance, or to whom the bloody bout has no attraction, a band concert is arranged.

IN DESPAIR, FRENZIED STUDENTS ABANDON "RAG" DANCE
(Continued from Page 1.)

beginning to realize that their oversight is not entirely to their credit. At Ohio State, the Pan-Hellenic Council has condemned as indecent the new, so-called fancy dances.

The action came as a result of a campaign started by the Lantern, the college paper, which denounced them in their editorial columns as "languishing disgraces" which no "man or woman who has any regard for his or her propriety can afford to countenance." At Michigan, at a meeting of the student body, the objectionable dances were barred, and any person not conforming to the rules will be put off the floor.

Miss Ensign, Dean of Women, has now struck at the root of the whole matter and has privately asked each and every fraternity and sorority to prohibit the Boston, Cactus, Tango, Argentine and similar dances at all the house parties. She had been working for some time, indirectly, to suppress those hybrids at University affairs and by confidential talks with those who managed the dances was to an extent successful. Fraternity men are extremely reticent in making public their action on the request but it is rumored that the prospect of "featureless" dances is not entirely pleasing to more than one set of Greeks.

Freshmen as well as older students will receive a hearty welcome, courteous treatment, and the best of service at Green's Barber Shop and Bathhouse, 20 N. 11th St.—Adv.
