Girls To Lunch At Lincoln Hotel With Miss Morris and Miss Burner.

On Saturday at 12:30, a luncheon will be given in the Lincoln hotel in honor of Miss Morris and Miss Burner, the two visiting Y. W. C. A. secretaries. The plates are sixty-five cents. Tickets may be obtained at the Y. W. C. A. office.

The theme of the toasts is, "Four Walled Is My Tower." The toasts are as follows:

"One Is For the South and the Sun," Valeria Bonnell

"One Is For the West and for Memory," Miss Claire McPhee.

"One Is For the North and the Star That Never Sets," Miss Morris.

"One Is For the East and the Faith That Fares Beyond the Stars," Miss Burner.

right, that the admission price at all three games be the same. The Kansans regularly charge fifty cents and seventy-five cents at all games, and naturally refused to lower these prices for the championship series. Hence it will be necessary for the same admission price to be charged here at the game on Monday night. However, the Jayhawkers support their team in greater numbers than do the fans here, so that the Nebraska management will probably receive the better end of the financial side.

This admission price is really small when the great expense connected with the series is considered. Both teams will cover the route from Lawrence to Lincoln twice, and will also double on the route from Lawrence to Manhattan, where the final game will be played. The Big Nine games relieve the loyal student of a dollar and a quarter for every game, and the game here Monday night will equal anything the Big Nine ever staged, if present indications are correct.

The team as a whole are in good physical shape, but there is a question as to whether at least two of the star Cornhuskers will be in the game Monday night. Captain Carrier has had a setback in his recent illness and may be unable to play in the game here, though it is hoped that he will be in condition to enter the Lawrence game. In addition, Stryker has torn a ligament in his leg and will doubtlessly be out of part of the series. As a result the team that will probably face the Jayhawkers will consist of the following men: Meyers, Haskall, Underwood, Hyde and Hawkins. Nebraska's hard luck on the eve of the contest will only work to make the team fight harder, and in the opinion of the coach, the hardest game of the series will be held here Monday night.

nor any bad debts contracted, the cost of rental of the theatre which constitutes almost the entire expense having been far exceeded.

Final rehearsals took place yesterday afternoon and the managers of the events all seemed satisfied that their various acts would each score a bit. The doors will open at 7 o'clock and the performance will start at 7:30 o'clock sharp, with a concert by the Nebraska band.

Are so made that your necktie cannot catch on them nor on the button. They are good collars—well made—and are very popular with good dressers wherever known. They are a new kind. To introduce them in Lincoln—we sell the Freescarf Collar.

all perfectly laundered

We have just purchased 1,000 boxes—500 dozen—of these collars. They will go on sale at 8 o'clock Saturday morning. When these are gone we can get no more for a long time—for they are new, a great success and in big demand, and the factory is swamped with eastern orders. Not less than six collars will be sold to a customer.

Sizes from 14 to 18—half sizes only. All shapes—all sizes—all fresh new merchandise. This is the original and as yet the only collar that absolutely does away with all necktie troubles. It has a patented pocket for the button and a spring in the band that always leaves room for the scarf to slide back and forth.

To out-of-town customers: Pick out the style you want—mention the name and size—and we will send them to you promptly, by parcel post. WE PAY POSTAGE.
