Awful Laws Will Be the Latest In Journalism

Notice is hereby given to the University public that the present staff of the Daily Nebraskan will, for one day, leave the editorial rooms to an unknown staff who will edit an "awful" issue. This awful issue will eclipse any Ray heretofore published.

It is thought that this awful paper will appear sometime during the next week if the awful staff can get the awful stuff put together in the form of an awful sheet. There is plenty of material but it is in awful shape.

Remember, no one will be responsible.

We have refrained from yellow journalism for seven months. We let April first pass unnoted. We have been before you for a month. We have always provided you a lot of things. WE SHOULD ALL LIKE TO KNOW

What you have a "good" copy of the paper or something awful, as you wish to do it in the "awful" issue. We are your obedient servants.
