Price, 5 Cents

#### UNIVERSITY TO BE SOLD Papa Dales' Lectures

JANITORIAL BOARD DECIDE TO CONVERT IT INTO A PACK ING HOUSE.

#### CAMPUS IS IDEALLY LOCATED

Proximity to Railroads a Great Inducement for Purchase-Buildings to Be Used for Special Purposes.

A wild ramor is current upon the compus today. The University instead of being removed or extended is to be sold! Men representing the Cudahy Packing Company have been upon the campus today conferring with the Janitorial Board of the University and as a result of this conference with the janitors it has been definitely decided that the University will be purchased by this company for \$16,000,000.

The proximity of the various buildiags to the railroad track of the Missouri Pacific makes the plan of converting the University into a packing plant a feasible one. The buildings are ideally located and are near enough together to enable the animals to pass from one building to another without becoming exhausted or losing flesh. The heautiful campus will offer excellent opportunities for the gentle cows. to browse in the cool shade of lofty elms and lilae brushes, similar to the methods of those cultured bovines beenocolates

ing the present institution of learning early in the evening and then the girls who, it is explained go there venting the graceful obese swine from conductor of international reputation. did any one ever see a sorority girl roaming about upon the green pastures. The ones who find themselves among at a dance when she was not dancing? the refractory animals may dislike this the greatest social events in the hisjourn upon this earth will be so brief braskan formal included. that it is thought that they will prefer t to spend their last hour in peace and -eclusion from the outside world.

The Administration building will be used as a shipping and canning depart- the invitation list. This is to do away is no doubt a sentimental one as this is the building at the present time from which some students are "shipped" and "canned" from the University. It is rumored that Professor Iceberg has been engaged as chief shipper.

Chemistry hall will make an excellent lard refinery.

University hall will be used as a crematory to incinerate these animals which do not come under the pure food law. Doctor Maxey has been appointed Cremator Termater on account of his ability to propound such burning questions to his law classes, while Manager Orr of the University Cafetaria will be Pure Food Inspector. It is sincerely

### Restrictions of Organization Committee Hold Not With This Dance

The committe on organizations has student set an example Monday after said that bons fide dances can not be noon which might be followed with given by the various classes because good results by others. Finding exthey have great debts hanging over treme difficulty in keeping awake in a them, but no amount of effort will 4 o'clock chemistry lecture, he took an close for business the sub-rosa uniintermittent alarm clock to the class, versity dance resort on N street be-

When some poor innocent freshman twenty two minutes and a half. The has time lingering on his hands, he is told to visit this place and "trip the light fantastic." Immediately he dissents because he is not acquainted That, explains the upperclassman, is not necessary, so the fresh goes to affair happened at the University the dance. What would the unenlightened public think if they knew that Dub Guidinger went there once? Once for him was enough; he could not be so unconventional as to ask a fair? kitchen maid, whom he had never met, to dance with him.

But with others this unconventional ism has not terrors. Indeed, some of The next great society event of the our schools most distinguished students find it the greatest pleasure to dance with some pretty lass who had sold him candy at Dalrymple's or who has waited on him at the "Paris." But events at the University and is being then some time the awful happens. A prominent Greek dances with a pretty figure and wonders who she may be, when the next day as he walks down the street, he sees her spending her noon hour in front of a laundry build-

The best of these will be class, who has led the movement for presented in addition to the regular individual assumption of the large declassical dances. Costumes suitable ficit. to the impersonation of the different characters have been procured, those \* \* \* \* \* \* \* \* \* \* lent by the State Historical Society being among the most unique.

The D. G. V. meets with Miss Freda Stuff, 434 South Twenty-eighth Saturday evening, April 26. The German | dates for next year's board drama, Miss Heppner. Music by Evangeline Long.

#### **COMMITS**

PROMINENT MEMBER OF FAC-ULTY NOW IN CUSTODY FOR OFFENSE AT CAFETERIA

#### CONFESSION GIVEN, BUT HELD

Victim Member of Family Prominent in Restaurants of Lincoln and Well Known by Students of University.

Dr. Tolcott, a prominent member of the University medical faculty was arrested yesterday for murder in the first degree and is being held today pending further investigation. The Cafeteria and according to the reports of bystanders was of an awful nature. Sobs from the victim were distinctly heard over the entire campus and many complaints were made to the bureau of health and peace.

A confession was secured late last evening by a Nebraska reporter after giving the culprit the third degree. This document, however, will not be made public until the day before the trial, as the case of the prosecution be weakened by the disclosal.

M. A. Reed and Walter Goodman, two witnesses of the event stated last night that the affair although sad was undeniably true. Manager Orr of the cafetaria was in tears at the thought of the loss of patronage his place will suffer from the publicity attached to the terrible affair.

The victim was Amphaeaden Dengerangelis otherwise cockroach in

The Nebraska Art Association hes purchased Edgar Payne's "The Hills of El Toro" for its permanent collection. The picture has arrived and has been hung in the Art gallery.
