Complete reports of the scholastic standing of the various fraternities, part of which were made public last week, were today officially handed to Nebraskan reporters by Prof. C. C. Engberg, chairman of the committee on delinquent students. The report includes the standing of all social organizations Hellenic and otherwise. The lead is this year taken by the Acacia, the University Masonic Fraternity, and Kappa Alpha Theta sorority. Silver Lynx and Kappa Kappa Gamma follow with a close second. The report shows a marked increase over the fraternity scholastic record last year, as the following statistics show:
