**Kearney Nine Gives  
In to Huskers to  
Tune of 20 to 2**

In a game uneventful except for the numerous hits and scores made by the Cornhusker team, Nebraska won from the Kearney Normalites by the one-sided score of 20 to 2. The Normalites scored in the first of the seventh by hits and an error by Harte. Carrig, the first man up, hit safely for a single, Essert following him managed to get a shingle and in the attempt to catch Carrig at third Harte threw the ball wild allowing both men to score. Lawyer, the next man up, struck out. McClure got on first by a slow ground-er and Randolph was an easy out, Harte to Flory thus retiring the side.

In not a single inning was Nebraska unable to score a run. In the first the Cornhuskers were able to push six counters across the plate. In the second and third they were not so fortunate, scoring only one run each. The scoring continued thusly until the eighth when a single by Haskell, two base hits by May and Flory scored four runs for the Huskers.

The hitting of the Nebraska team was extra good and the boys fattened up their batting averages enough to carry them through the rest of the season. Underwood was able to secure a three-bagger. Flory was more fortunate, securing two two sackers and May likewise was able to get away with a two base hit.

Beckoff, on the mound for the Nebraska team, did excellent work

**One Hit Off "Snooky"  
Yochum in Sigma Nu-  
Sigma Chi Game**

Sigma Nus won over the Sigma Chis in the initial game of their frat schedule by a score of 2 to 0. The excellent pitching of "Iek" Yochum, the lanky twirler of the Sigma Nus, was the feature.

The Sigma Nus scored in the first inning on an infield hit by Patterson, a stolen base, and a hit into the bleachers by Samuelson. A base on balls, two stolen bases and an infield out gave the Sigma Nus another score in the fourth inning.

The Sigma Chi's only hit was a long fly, down the right foul line by Harold. Potter's superb pitching went for nothing because of the Sigma Chi's inability to hit.
