ON WITH THE MERRY DANCE

WITH BIG PREPARATIONS, PAN-HEL TOMORROW NIGHT PROMISES GREAT ENJOYMENT

MANY CLASSY DATES STILL OPEN

Although Large Number Are Planning to Attend, Getting a Swell Girl Is Not Yet Impossible.

Tomorrow night comes Pan-Hel. In past years this dance has been the culmination of the social year and all ye swell dames and speedy fussers are anticipating the affair with many and great preparations. Dates for this dance have been a minus quantity for many weeks at several sorority houses but the big secret which escaped yesterday is that a number of the classiest fems on the campus are open for persuasion. Late dates for Pan-Hel are never turned down, for what maiden fair would enjoy a lonely vigil by the fireside when an opportune man presents himself?

The Auditorium is the place, the time eight-thirty and the girl is the "best." Tradition demands that newly acquired fraternity pins be displayed by at least 50 per cent of the membership of the sororities on this eventful night and according to indications to date, tradition will gain a graceful victory this year. A local jeweler displayed yesterday fifteen of these jeweled pledges in the process of being cleaned before their use tomorrow; others report various numbers almost as large. Mothers, care for your daughters Friday night.

Bill Haley and Frank Long are in charge and they promise the Greeks an extra fine line of entertainment, music and meats. Novelties will be the rule all evening and two dollars' worth of solid classic joy will be included with each ticket. Get your date this morning and call Bill this noon about the ticket.

Seniors Give Dance Pronounced by Many to be One of Year's Best

The Senior hop was held Tuesday night in the Auditorium in place of the Beach because of the heavy rain. About one hundred couples were present and the floor was almost too ample for the crowd. Classy refreshments were on tap all evening and the party was pronounced by many to be one of the best infernals of the year. Ralph Smith and Frank Long acted as chairman and master of ceremonies respectively.

D. U.'s Defeat A. T. O.'s-- Score 7 to 4--Sig Alps Take On Sigma Nu's, 16 to 2

The Delta Upsilon went down to defeat in a hard fought battle with the Alpha Tau Omegas Monday by a score of 7 to 4. The feature of the game was the excellent fielding of Owens who made several brilliant plays. The score:

A. T. O.	1	0	1	2	0	3
D. U.	0	3	0	0	1	0

Batteries—A. T. O., Neighbors and Griswold; D. U., Thompson and Shoemaker.

In a farcial contest of five frames the Sigma Alpha Epsilon baseball team took the Sigma Nu aggregation for an awful cleaning by a tally of 16 to 2. The game was marked by the heavy hitting of the Sig Alps and especially the homer by Big Seven Myers. The field was in a very muddy condition which hindered fast fielding.

Batteries—S. A. E., Grim, Myers and Shaw; S. N., Yochum, Cook and Patterson; umpire, Reed.

Freshman Ball Team Defeats N. M. A. Diamond Artists—Score 13 to 8

The Freshman baseball team under the tutelage of Captain Patterson, journeyed out to the Nebraska Military Academy last Monday and took the soldier boys into camp by a score of 13 to 8. The game was a seven-inning affair and was marked by the heavy hitting of the freshmen who fattened their batting averages off the offerings of Barber and Daniels. Angel, shortstop, secured three hits and a walk in four trips to the plate. Hugg secured a homer in the first frame and Gardiner also clouted the ball for four bases in the seventh. Sides pitched three good innings for the freshmen and was then relieved by Hugg, who also did good work.

The score:

Freshmen	2	1	3	2	1	2	2
N. M. A.	0	0	3	3	1	0	1

Batteries—Freshmen, Sides, Hugg and Patterson; N. M. A., Barber, Daniels and Anderson.

Track Meet Arouses Much Interest--Many Fast Races Pulled Off

Athletics occupied the greater part of yesterday afternoon's program outlined by the Ivy Day committee. The annual ball game between the Spikes and Sphinx was played and the Ivy Day track and field meet was also held. The Sophomores seemed to have the advantage in nearly every event and captured the meet by an extra large number of points. The Freshmen made a very creditable showing in several of the events and proved that the coaches have good material for next year.

The time in all of the events was rather slow due to the soft condition of the track from the late excessive rains. The great surprise of the day was the failure of Goetze, varsity half-miler, to place in that event. Goetze led the race from the start but was unable to stand the fast pace and lost the race at the finish. In the 220 hurdles Bittinger, a freshman, led all of the way until the last obstruction over which he tripped, being a very pretty and well deserved race. In the broad jump Wiley made several jumps hovering about the 23-foot mark and he also won the high jump at a height of 5 feet 8 inches.

The summary:

100-yard dash—Reese, first; Zumwinkle, second; Howard, third.
220 yard dash—Zumwinkle, first; Reese, second; Howard, third.
440-yard dash—Zumwinkle, first; Beaver, second; Bates, third.
880-yard run—McMaster, first; Kubik, second; Stribling, third.
High hurdles—Lindstrum, first; Goetze, second; Nafziger, third.
Low hurdles—Roberts, first; Nafziger, second; Bittinger, third.
Mile run—Anderson, first; McMaster, second; Diers, third.
Shuttle race—Sophomores, first; Seniors, second; Juniors, third.
Half mile relay—Sophomores, first; Juniors, second.
Poie vault—Reavis, first; Lindstrum, second; Hansen, third.
Broad jump—Wiley, first; Meyers, second; Ross, third.
High jump—Wiley, first; Reese, second; Reavis, third.

LEADERS FOR 1914 CHOSEN

THIRTEEN JUNIORS OF BOTH SEXES ARE ANNOUNCED BY BLACK MASQUE AND INNOCENTS YESTERDAY.

CEREMONY IS VERY IMPRESSIVE

Will Take On Much Responsibility and Duty With New Honors—Two Are Absent From Camp When Announced.

Thirteen leading juniors were announced yesterday afternoon as the innocents for next year. These include the editors of the Daily Nebraskan and Cornhusker for next year, an associate editor for the Daily Nebraskan, the captain of the 1913-14 basketball team, prominent officers in the cadet regiment, debaters, and the first and second semester presidents of this year's junior class. Those chosen were presented to the student body before the entrance to the library by the outgoing Innocents and were sworn to their trust by Professor Condra, who delivered a short exhortation. The thirteen were Merrill V. Reed of Lincoln; Ray Smith of Lincoln; John Cutright of Lincoln; Clarke Dickinson of Lincoln; Samuel Griffin of Boise, Idaho; Harvey Hess of Hebron; William Kavan of Omaha; Richard Lyman of Fort Crook; Roswell Haskell of Lincoln; Gordon Beck of Peru, and Lewellyn T. Skinner of Lincoln.

The ceremony of picking these leaders for next year was an impressive affair, the Innocents of the past year, distinctively marked by their red robes, wandering here and there about the campus in search of their man. As each was found he was tapped on the shoulder and conducted to the library steps. Unfortunately two of those chosen were not on the campus, their names being merely announced.

In the morning the Senior honorary girls' society Black Masque picked their girls in a like manner, masking each and escorting them to the library steps where the presentation was made. Those chosen were Valeria Bonnell of Lincoln; Elizabeth Mason of Beaver City; Gladys Bunt of Fremont; Florence Malone of Lincoln; Elizabeth Scott of Ashland; Geraldine Gray of Columbus; Marion Pettis of Lincoln; Elizabeth Rogers of Randolph; Mabel Daniels of Bancroft; Charlotte Leaming of Lincoln; Amy Armstrong of Syracuse; Erma Maeve of Lincoln; Phyllis Neligh of West Point.

Delta Chi defeated the Silver Lynx ball team yesterday in a hard fought game by a score of 8 to 7. Batteries—Delta Chi, King, Armstrong and Kryger; Silver Lynx, Wagner, Christie and Grammlch.
