Inter-Frat Champ in Second Division is Yet Undetermined

The championship of the second division was lost and won a couple of times yesterday afternoon in the game between the Sigma Phi Epsilon team and the Sigma Alpha Epsilon nine, which was called a tie with the score standing 7 to 7. The game would have been completed had it not been necessary to give the grounds to the soldier boys for their evening's romp.

If the Sigma Phis had won there would have been a three-cornered tie between these two teams and the Phi Psis, but, on the other hand, had they lost the championship would have gone to the Sig Alphs with a perfect percentage. The tie game is to be played off either tomorrow or the next day, so that the final championship game may be played next week.

In the first inning the Sigma Phis were able to score a lone tally off Grimm, but after that there was nothing stirring until the fifth, when four runs were scored on account of errors intermingled with hits. Krikac, the opposing slabsman, pitched a good

In the sticking line Shorty McMullen proved himself the hero when he clouted one for two sacks with the bases full. His timely hitting figured considerably in the scoring. Votaw secured a homer and a two-bagger.

The Delta Taus are expectantly awalting the results of the second division race so that the championship game for the silk banner may be played and the winning team might appropriately dedicate it before the boys leave for the various portions of the globe. It is hoped, however, that the championship will be decided about next Wednesday afternoon.
