LET PORTER

Supply Your Needs in the

BOTANICAL DEPARTMENT.

Each Student in general Botany (1, 2) will need the following outfit, which should be brought to the laboratory (Room 108 N.) at the beginning of his first work period.

- One Laboratory Note-book, with notepaper and a good quality of drawing paper. (This must have spring rings, so that the notes may be taken out easily.)
- One Botany Dissecting Set.
- One Hard Pencil (8H) Kohinor.
- One Emerald Eraser.
- Half a dozen Microscope Slides and Slide Box.
- One dozen Cover Glasses.
- A soft cloth for cleaning slides and covers. (Cheese cloth is good.)
- A piece of fine Sandpaper (about 2x4 inches.)
- A dozen Paper Clips. (The simple cross-wire X kind is good.)
- A small padlock for your locker.
