STOCK JUDGING TEAM LEAVES FOR KANSAS CITY SATURDAY

Will Take Part in the Royal Stock Judging Contest Oct. 6.

Saturday the Agricultural College will send its stock judging team to the Royal Stock Show, which will start Monday, October 6.

The number of men trying out for this team has been larger than ever before. The competition is keen and close. It looks as though we will have as good a team as last year. The team last year won first place.

The swimming proposition for coeds has evaporated. The only hours that the Y. M. C. A. pool can be obtained are from 7 to 11 a. m. Miss Gittings has stated that it is very doubtful if they will accept these hours as few girls could take advantage of them.
