COMPETITION VERY KEEN

Another Tryout to Be Held Next Monday Night to Make Up Required Number.

More than forty men tried out for places in the Glee Club last Tuesday evening, and after the keenest competition the judges felt sure of only four men. These are: Lloyd A. Barnes, first bass; Dana Cole, first bass; Merwin Swayne, first tenor; and William E. Aldrich, tenor.

Besides this number there were twenty-one other men who were looked upon favorably and are scheduled as probabilities: Robert Holland, M. M. Curtis, Cloyd L. Stewart, Robert Finley, Frank Brown, Percy Spencer, Walter Noelting, Joseph Aldrich, Arthur Miller, Hugo Brocker, James F. Formanek, Rex Bixby, James E. Brittain, Clarence Mickel, Fred L. Babcock, Virgil L. Haggart, Gottill Cast, Howard Foe, Lester Westling, Louis Waldman, Llewellyn Martin.

These men and any others who so desire are asked to try out again next Monday night, October 6, at 7:15, in the Temple music hall. Regular practice begins on the following Wednesday at the same time.

CONTINENTAL SECRETARY TO SPEAK AT Y. M. C. A. SUNDAY

Foreign Workers Will Present Very Interesting Subjects to University Men.

The City Young Men's Christian Association is planning a meeting for Sunday afternoon, October 5, that will be of interest to University men as well as the young men and citizens of the community. Mr. Charles J. Ewald, continental secretary of the Y. M. C. A. in South America, and his associate, Mr. P. A. Conard, will be present and speak of conditions in those countries and of the work of the Young Men's Christian Association. Mr. Ewald is a graduate of the University of Michigan and previous to his work as a continental secretary organized the work among the students in Buenos Ayres, where he instituted the first Y. M. C. A. to be organized in a South American state university. Mr. Conard, a graduate of the University of Illinois, was for several years general secretary of the Y. M. C. A. at Monte Video, where on account of the striking success of his work the government placed the expenditure of its appropriation of \$50,000 for physical work under his direction in the association. The meeting will begin at 3:30 p. m. in the Oliver Theater, when the Four Artists Company will give a musical program of half an hour. Mr. Ewald and Mr. Conard will speak at 4 o'clock. Students will be cordially welcomed.

K. U. STUDENTS DANCE TILL CLOCK STRIKES ONE

Only on Saturday Night Must They Close at Twelve.

Dancing at the University of Kansas seems to be regulated only in regard to time, and to participants. No University dance may be given which is thrown open to the general public. Dances on Saturday night must close at 12, all others at 1 o'clock; excepting formal parties; and junior prom and sophomore hop at the close of the year. One of the rules reads: "During a regular session of the University no student or group of students may give or attend a dance in Lawrence which is thrown open to the public indiscriminately at a fixed price." Any rule like this in this school would force Bullard's out of business. It seems that as long as the dances are given at the proper time no other trouble is experienced. Wonder what kind of dances they do down there? Next?
