BEST SCRIMMAGE OF YEAR (Continued from Page 1)

PREPARATION FOR VOCAL SUP- Towle being in for the major part of the mix-up Rutherford played a slashing game. He is going to make a name for himself. While the men were go dead tired that they could hardly drag themselves in after practice no one was hurt. As a whole it wa, one of the most satisfactory scrimmages of the season.

Ross Protested By Kansas Aggs.

toach Lowman of the Kansas Ag gies has filed with Coach Stiehm a formal protest against the presence of Clinton Ross, the colored left guard, at the convocation period this morning in the Corubusker line up for Saturreasonable to Coach Stiehm and the Ataletic Board for the reason that the of the athletic spirit on the campus, Kansas Aggies have played two years it will serve to indicate to the coaches against Ross without saying a word and the team what manner of support about it. This is the Aggies first year in the Missouri Valley Conference and one would naturally suppose that they would abide by its rules. But there is nothing said in the Conference rules that would draw a color line. Hence their request seems not only unreasonable but unfair. A meeting of the Athletic Board will be held today at 11 o'clock to settle the matter. There are strong probabilities that they will not consider the request.

> Coach Stiehm is anxious that there be a strong representation of the student body on the side lines for the practice this afternoon which will be heid on the Cornhusker field at 5:00. It is as essential that the fans turn out to practice as it is to go to the games. If we are to annex the champrenship this year the student body must come through with their earnest and whoichearted support. Tonight a large number of the coleds will grace the side lines. There should be five or six hundred rooters out to thee: the team and show the boys that they caa rely on student help LET's HAVE THE BAND OUT AND WHOOP THINGS OF WILL YOU COME OUT, MR UNIVERSITY BAND AND LEND A HAND?
