

**FIRST RALLY A "HUMMER"**

"BEAT MINNESOTA" SPIRIT TO THE FORE IN BIG MASS MEETING YESTERDAY.

**STUDENTS MUST GET TOGETHER**

Stiehm, Dudley, and Engberg Urge Cooperation—Reed Announces Big Advance Sale to Grads Here for Homecoming.

The first football rally of the year was held in Memorial Hall Thursday morning. In enthusiasm and general spirit, outside of the attempts at singing, it was declared by many to be the best rally held at Nebraska since the famous gathering preceding the Michigan game two years ago. Speeches were short and snappy and the audience enjoyed every moment of the forty minute period.

Though called for a general rally, to prepare for the Kansas Aggie game Saturday, the topic of supreme interest soon took the lead and it evolved into a pre-Minnesota rally.

Coach Stiehm struck the keynote of the rally. He said that with every man and woman in the University on the sidelines there was no reason why the Cornhuskers should not triumph over the Gophers on the 18th. Although he was not overconfident, he told the status of the team in such an earnest, straightforward manner that he inspired confidence in the rooters.

Dean Finberg, the "eldest" champion of the state, as he was introduced by the presiding officer Will Kavan, gave a straight from the shoulder talk on the business principles involved in going to school. He commended football as the best way to unite the student body into one mass of boosters for the University.

**Homecoming Prospects Rosy.**

Guy Reed made the first public announcement of the Homecoming Day prospects. "The advance sale is over 7,000 tickets for the Minnesota game," he said, "and I still have many towns to hear from." Lincoln business men and organizations are falling into the spirit of the day, and are inviting representatives from the towns of the state. It will be the biggest crowd of old grads that has ever assembled on the campus, and it is up to the active students to make the day the big success as a real "homecoming" day that the occasion deserves.

**Dudley Predicts Victory.**

Assistant Coach Dudley, in his initial appearance before a Nebraska audience, made a decided impression. As an optimist, he predicted victory over the Gophers. As a reformer, he urged the need of rooting, both for the team and for the unification of the school into a loyal body of Cornhuskers. He was cheered to the echo on the new "fifteen rah" yell which Ammerman and Gallatley, the cheer leaders, put into execution.

The singing of the Cornhusker Anthem was featured at the opening of the meeting. The Glee Club led off, followed by the audience. The crowd took kindly to the song, but it was evident that more practice would be necessary to make it effective as a field song.
