Light Monday Practice.

Couch Stiehm put his stalwarts through a mild signal practice Monday afternoon at the fair grounds. But beginning with scrimmage today he will put the boys through the hardest work imaginable in preparation for the big game.

No Football Rally Tonight.

Mixed signals are responsible for calling off the football rally that was scheduled for this evening. Thursday night, however, the biggest football test that was ever pulled off in this institution will be held. Particulars later.

Now that the world's series is over, let's think about clothes

We challenge your particular attention to our medium priced line--

KENMORE CLOTHES

at \$11.50, \$14.50, \$17.00, \$20.0

They're built for the man with a limited amount of clothes money who wants the strongest value possible in return.

Here are three reasons why our KENMORES give such values:

1. We've bought them close and priced them very close.
2. In our "drylight" 2nd floor, we have three times the space formerly used for clothing, with no increase in expense.
3. Hence, tho' we've reduced our margin of profit, we are prepared for and expect a much larger volume of business.

The result is: "Stronger Values for You!"

The Cafeteria of the Y. M. C. A.

This student Cafeteria has for its object the furnishing of the best grade of food to students. This is the very first consideration. There are other grades which look just as well and taste just as good but do not have the same food value. Our prices are made according to the first cost of the food plus the cost of the food plus the cost of preparation, not according to any restaurant prices down town.
