Preserve Your
College Work

The L. C. Smith & Bros. Typewriter is invaluable to college students who want a record of their college work after graduation.

We give special attention to the needs of students. We have typewriters to rent, as well as to sell. A few rebuilt machines at a bargain.

Amusements

MAGNET ANNOUNCEMENT.

Following the established policy, the Magnet, Lincoln's newest and finest photo play house, announces to its patrons that the program for the next week consists of the very best photo plays ever produced. Your attention is called to the fact that photo plays are divided into two classes, "A" and "B," respectively. Class "A" are the best photo plays that can positively be obtained, using the best and highest paid actors and producing machine. So when thrown upon our Eye-Ease screen there is no strain upon the eyes. Class "B" using poor machine and actors produce photo plays that are of a cheaper grade, hence they are used by the nickel houses. The managers desire to obtain the very best class of Lincoln people, and nothing will be shown in the theater that will cause any criticism to the most fastidious. Mothers can feel safe in having their children at our house, as it is absolutely fireproof and special attention is given by our ushers to the children. The air in the theater is as pure as upon the street, as owing to the perfect ventilating system the air, no matter how crowded the house, may be changed in every two minutes.

Come and be convinced. Commencing this week and until further notice is given, every lady will have attached to her ticket a coupon which entitles her to the drawing of a beautiful and useful present, drawing to take place every Friday evening. The present for this week can be seen at Ross P. Curtis' window, 1240 O street.

SIGMA ALPHA IN "BABY MINE."

Fred Shepherd, "that somewhat stout comedian" now appearing in the role of "Jimmy" in William A. Brady's comedy success, "Baby Mine," is a young college chap, having graduated from the law school of the University of Virginia of '10. Mr. Shepherd entered the offices of his father, Hon. Lewis Shepherd, supreme court judge of the state of Tennessee, where he soon left to join Robert Edson in the production of "Strongheart," appearing in the role of Billy Sanders. Last season he appeared as "Jimmy" in "Seven Days" until he joined the "Baby Mine" company.

He is a member of the Sigma Alpha Epsilon and will doubtless be entertained during the engagement at the Oliver on Friday, Saturday and Saturday matinee.

Mistakes in Junior Plans.

Through a misunderstanding of the junior class plan of administration some have come to believe that there will be no further committee appointments. Remaining appointments will be made in the next few days. The commission of five men will have control only of the financial end of all events.

Mrs. Mary C. Love Collins of Boulder, Colo., grand president of the Chi Omega sorority, is visiting at the chapter house.

FIRST SUBSCRIPTIONS TO BE TAKEN ON OCCASION OF MINNESOTA GAME OCT. 18.

Are Anxious to Increase Circulation to that of Other Neighbor Schools.

The management of the 1914 Cornhusker has decided to take subscriptions for the 1914 book on Saturday, October 18, for the benefit of the large number of alumni who will be in attendance at the big Minnesota game and homecoming.

Subscriptions will be taken at booths located on the campus and at the athletic field gate.

An effort will be made this year to raise the subscription list to 2000 copies. This will mean an increase of 500 copies over last year's sales. Both Wisconsin and Illinois put out 2500 copies each year, and Nebraska should be able to reach the 2000 mark or duplicate that record.

The book will be published May 1, 1914, almost a month earlier than usual, and for this reason it will be necessary that all senior and junior pictures be in before Christmas.
