

# Man Is a Shy Shopper

Although he leaps to fight for glory at the cannon's mouth, and never thinks of flinching when called to brave danger or endure hardships, the average man collapses at the idea of shopping.

He knows what he wants, but would rather take a licking than "shop" around to find it. Mr. Man prefers to dodge into a store, plank down his money, get his bundle and hurry out.

The Men's Department is JUST INSIDE THE EAST O STREET DOOR where it will be an easy matter for YOU to "dodge in," etc. The things specially priced for this week and this includes nearly everything in the department—are displayed where it will be easy to see most of them. WE HAVE COMPETENT and COURTEOUS SALESMEN TO QUICKLY WAIT ON YOU.

Now, Mr. Man, we have taken cognizance of this fact in arranging our MEN'S DEPARTMENT FOR OUR GREAT SEMI-ANNUAL MEN'S WEEK SALE which begins Monday Morning and lasts All of this Week.
