**SCRUBS OUTPLAY VARSITY**

TWO HARDS SCRIMMAGES YESTERDAY BEHIND LOCKED GATES.

**INDIAN INVASION IS IMMINENT**

Cornhuskers in Fine Shape to Give Aborigines Beautiful Haircut Tomorrow Afternoon.

(By H. V. HARLAN.)

The scrubs took the conquerors of the Gophers, meaning the doughty Cornhuskers, to a 7 to 6 cleaning yesterday afternoon on Cornhusker field. The varsity was not playing up to their customary form and the second string men were able to slip it over on them. From the lifeless manner in which the Cornhuskers performed they deserved the small end of the score. Yet after the winning exhibition that the varsity came through with last Saturday no one can begrudge their mid-week slump. They will be back in the old victorious form when they line up against the Haskell Indians Saturday.

Coach Stiehm, the wonder worker, put his disciples through one of the hardest practices of the year last night behind locked gates. He divided the varsity and the scrubs into what he termed "two evenly matched teams," and they bucked against each other for a hard twenty-minute period.

**Scrubs Score.**

The scrubs started off with a rush, and in a little over a minute Elwell had drawn first blood for the second string men. Goal was kicked. Score—scrubs, 7; varsity, 0.

For fifteen minutes the play saw-sawed up and down the middle of the field with honors even. The varsity played listless ball and seemingly could not get together for consistent gaining. Purdy and Mastin made some spectacular tackles, while Elwell and Delemeter made some big gains

through the line and around the wings.

Towle, playing quarter for the scrubs, attempted two drop kicks, one from the forty-yard line that barely missed being good. Grosse made some good gains on the tackle-around play.

**Varsity Score.**

Finally the varsity woke up and began toting the ball down toward the scrubs' goal in peppery fashion. Purdy, Coffee, and Delemeter crashed against the line for big gains. The varsity was playing irresistible ball, seemingly, but the scrubs held on their five-yard line.

Towle kicked, Howard running the ball back to the thirty-yard line. In rapid succession Delemeter, Howard, and Coffee hit the line for good gains. Purdy smashed the line like a catapult and made ten yards, putting the ball on the one-yard line. Howard made the touchdown, but failed to kick goal. Score—scrubs, 7; varsity 6.

**The Lineup.**

**Varsity and Freshmen Mix.**

While this scrimmage was a good one, Coach Stiehm was not satisfied with the showing of his "Stiehm" roller and sent the men into another scrimmage, this time with the freshmen. He worked the regular varsity machine against the frosh and they were able to make things hot for the neophytes. The frosh eleven was reformed by the presence of Owen Frank at quarter and Harmon at left tackle. But even with the old-timers in the lineup, the first-year men could not stop the varsity.

**Howard Scores Touchdown.**

After a stiff tussle in the center of the gridiron the varsity began a steady walk for the frosh goal line. Howard went over for a touchdown. This ended the regulation football. "Jumbo" then gave the ball to the freshmen on the varsity ten-yard line, with the injunction to the varsity stalwarts that they "would have to hold the freshmen for ten downs before they could go for supper." After the neophytes had scored seven touchdowns the varsity not only held them for ten downs, but also threw them back thirty yards. Every one then broke for the gym.

**Cornhuskers in Fine Shape.**

The scrimmage last night concludes the hard work before the set-to with the aborigines from Lawrence, Kas. Every varsity man came out of the Minnesota battle in good shape. With a light practice tonight the Cornhusker machine will be in prime condition to stage against the Indians, that delightful exhibition entitled, "Scalping the Red Men," or "Who Put the 'Win' in Ewald Ortwin Stiehm"?

**Engineers' Smoker.**

On Friday evening, October 24, at 8 p. m., the engineers will have a smoker in Brownell Hall, South Eleventh street. All engineers out, as a unique program is being prepared.—Committee.
