UNIVERSITY OF NEBRASKA, LINCOLN, WEDNESDAY, NOVEMBER 5, 1913

Price, 5 Cents

HERE'S FOR THE HARDUPS! WILLIAMS WINS FINAL

CHANCELLOR AVERY WILL HOLD STUDES TO EAT TURKEY AT HOME TABLE.

WILL GET PETITION SIGNERS

Cents Will be Given Worker in Credit on Fare.

Some of you want to cal Thanksgiving turkey with the folks at home, but hesitate about the expense.

Some of your towns-peaple want to sign University Locations, but there seems to be no one in some localities to pass around the blanks.

Let's get together. Drop into my office and ask Mr. Rein if your town has been thoroughly canvassed. If not, the University will reimburse you for your railroad fare home and return on the following terms Bring in as many signers to the petition as 21/2 is contained in the price of a round trip ticket to your home town and back. Suppose you live at Crete. The price of a round trip ticket to Crete and return is 84 cents. Bring back not less than the quotient of 84 and 21/2 or 34 odd signers to the petition and collect from the University your railroad fare home. Again, suppose you live at Omaha, round trip \$2.20, Bring back not less than 88 signers to the petition, and the University will pay you \$2.20 in

We need only a few thousand more signatures. First to come will be first served with this opportunity. course, I would like to see every student get as many signers as he can for patriotism and devotion to the University. This is not an offer of employment. It is merely a stimulus to work in the University's interest.

Tell the people at home that the University officially does not care which way the location question is settled, and that by signing a petition, each voter helps get a chance to vote his own preference.

S. AVERY.

His subject for last night's lecture was "Ius Quiritum," the law of the patricians, in which he took up the general or unwritten law and the statute law. His lectures have been well attended and as they are especially thorough and complete, should not be missed by any student. The series includes ten lectures and there are eight more on the list.
