KANSAS TRIP CAUSES **HEART-BREAK AMONG CO-EDS**

Can Not Understand Why He is so Stingy Just Now and Stays at Home so Much.

All that has been heard about the campus the last few days is "Well, old man. I've cut out the Lyric, the Orpheum, double jits and fussing for the rest of the semester." Until today the reporter didn't get the idea, but when he got the assignment, "The Kansas game, and its effect on fussing," he was enlightened. So girls if He doesn't come around in the next four or five weeks don't thing him peeved, but just remember that K. U. is the biggest and most important game on the schedule. After He gets that suit out of hock and has paid his bills He'll be back just as long as ever, if not longer for he'll have to make up for lost time. Think then of the future and be not discouraged.
