**FROSH OUTPOINT SOPHS
 IN FREE-FOR-ALL GAME**

Lone Touchdown Plus a Field Goal
 Gives First Game of Inter-class
 Series to Freshmen, 10-3.

In a game that was more of a free-for-all than a football the freshmen triumphed over the sophomores yesterday by a score of 10 to 2. One field goal from the twenty yards line and a touchdown during the first half netted them the ten points. The sophomores' score came in the third period and was somewhat of a fluke. After lugging the ball from the middle of the field to within six inches of the freshman goal, they lost it on downs. The first year men lined up ready for a punt but the ball was caught before it had left the center's hands and Harmon gave the sophomores two points on a safety. This was the only time during the game that the freshman goal was in danger.

There was much feature playing on both sides. O'Brien and Allen were the individual stars for the Frosh, the diminutive quarterback tearing loose for ten and fifteen yards at a time, and succeeding in several fake plays that were good for large gains. Jennings and Israel in the back field of the Soph team were always good for line plunges and the fact that the ball was in freshman territory the latter part of the game was due mostly to the fighting line bucks of these two.

Touchdown: O'Brien.
 Field Goal: Chapin.
 Referee: "Dewey" Harmon.
 Umpire: Halligan, assisted by the entire varsity.

**Dean Engberg Tells
 of Beauties He Saw
 On European Trip**

The Scandinavian club held its monthly meeting Saturday night with a number of Scandinavians present. The first half hour was spent discussing current events of special interest to the club.

Dean Cal C. Engberg gave a talk on Sweden. His conversational manner of presentation made it very interesting and entertaining. Mr. Engberg spent his vacation last summer in Europe and mostly in Sweden. He spoke of the beautiful scenery, how the meadows and roadsides were covered with daisies and posies and other well known flowers, also mentioning the picturesque costumes of the people of Dalarna, where he spent his childhood, and the great changes which have taken place during the years of his absence.
