**JUNIOR PROM JANUARY 30**

WILLIAM BAUMAN, CHAIRMAN,  
ANNOUNCES DATE OF BIG  
ANNUAL PARTY.

**MUST BUY YOUR TICKETS EARLY**

Whole Worth of Each Three Dollar  
Ticket Will be Given  
as Result.

The annual Junior class Prom will be held this year on the thirtieth of January at the Lincoln hotel, according to a statement made yesterday by William Bauman, chairman. The affair promises to be one of the most elaborate of the year and will undoubtedly be among the first society events of the season.

Owing to the expense of the dance, it will be necessary to close the sale of tickets almost two weeks ahead of the dance and those who wish to go will find it necessary to engage their tickets immediately after Christmas holidays. Mr. Bauman said last night:

"We want to give them all they should have for the money and to do this we must know the exact number of tickets sold ten days or more before the event. The number will be closely limited, as will be announced in a few days. If you want to go get your tickets before January 15 for we are going to plan to give every man his three dollars worth."

The entire number will be placed on sale immediately following the holidays in the hands of prominent juniors and when they are gone, no amount of money can admit anybody. If desired, tickets may be reserved before the holidays by seeing Bauman.

Several very unusual features which will make it stand far above the ordinary prom are being planned for the dance. As these are yet in the process of planning, specific disclosures will be made later.

**Professor Frye  
Declares Should  
Provide Smoke-room**

"If I was unscrupulous enough to become a millionaire, I should undertake some means to provide something that would keep students from going out to the gate to smoke every day between classes." Such was the statement made by Professor Frye before his class in Rhetoric V, the other day.

Many professors and a great many of the students take the same view, feeling that a smoking and general rest room should be provided for the masculine members of the class. Fraternity men who live close to the campus do not feel the necessity of one, but the greater majority of the men have no place to spend the idle hour between classes. Other schools have such rooms and in the east, whole buildings are devoted purely to student comforts.

Harold F. Cook is mounting nine cases of Nebraska show birds for the museum. The birds are mounted in natural positions with a suitable landscape and are on display in the museum.

**Christmas Readings To-day at Convocation by Miss Alice H. Howell**

At convocation this morning Miss Alice Howell will give the reading "A Christmas Story." Miss Howell gave this reading before the Lincoln Woman's club last week and it was pronounced exceptionally good.

The story is in keeping with the Christmas spirit and as given by Miss Howell will be one of the best programs of the year.

Robt. F. Gilder of the Omaha World-Herald, who was recently appointed archeologist of the state museum, has shipped to the University a consignment of bones and pottery found in the Indian burial mounds in Cass and Sarpy counties. They will soon be on exhibition in the museum.
