

**CHI OMEGA PRIZE CONTEST  
RULES GIVEN OUT YESTERDAY**

Twenty-five Dollars to be Given for Essays Entered Under Competition's Rule.

Chi Omega fraternity at its national convention at Niagara Falls, N. Y., in June, 1913, voted to offer an annual prize of \$25 in the department of sociology of every institution where a chapter of Chi Omega exists.

The fraternity adopted this as a part of a general policy to aid wherever it is possible in promoting interest in social service among college women. This prize is intended as an incentive to that end.

The committee of award announce the following conditions:

1. Any woman in the University of Nebraska who has completed at least a one-year course of two hours or who is now electing such a course in the department of sociology shall be eligible.

2. Each competitor shall write a thesis of not less than 2,000 words, subject to be along lines of actual investigation in some field of social service in which the student shall have worked.

3. The judgment of the department of sociology as to the standing and interest of the students in the work of the department shall be considered in awarding the prize. The award shall be made on a basis of 75 per cent for the thesis and 25 per cent for departmental standing.

4. The thesis must be submitted to the committee of award not later than May 15, 1914. Students intending to enter the contest must announce to some member of the committee the subject of the thesis not later than January 10, 1914. The member of the committee will be glad to make suggestions as to appropriate fields of investigation and subjects for thesis.—Prog. Howard W. Caldwell, Miss Fannie Drake, Rev. Dean R. Leland, Committee of Award.

**ALUMNI DIRECTORY TO BE OUT  
EARLY NEXT FALL IN ENTIRETY**

Secretary Reed Now Working All  
pare Time on Enormous Task  
Before Him.

By the time school opens up next fall there will have been published a handbook containing the names and addresses of nearly all of the 5,500 men and women who have graduated from the University of Nebraska in the forty-four years of its existence.

The work is being done by Secretary Guy Reed of the Alumni Association. He began it early this fall, but the football season took up so much of his time that he was not able to make much of a showing until after Thanksgiving day. It is an enormous job, and will consume a good part of Reed's working hours from now till next summer.

**Ball Tickets Left.**

A few tickets for the Military ball are still available, and are in the hands of the committeemen, Kirk, Fowler or Joe Johnson. They may also be obtained from Lieutenant Bowman, in his office in the armory, or from Colonel Kramer.

**HARVARD WILL COME WEST**

Crimson Players Have Scheduled a Game with Michigan—Chicago Refuses to Play.

Harvard has scheduled a game of football with Michigan for the season of 1914. The game will take place at Harvard, October 31. This game will be a great intersectional event and will be eagerly watched by the whole country. No agreement has as yet been reached in regard to a return game to be played at Michigan the following season. The opposition to the game at Ann Arbor lies in the fact that Michigan will be obliged to play four successive games away from home. The students at Michigan and the members of the team, are enthusiastic over the prospective game and have been eagerly boosting the project.

The Crimson has been for some time desirous of a game with some western conference team, and proposed a game with Chicago. The Chicago authorities were, however, almost unanimous against a year's agreement with Harvard or with any other eastern team, believing that Chicago would lose prestige by a single game, and refused them the game. Harvard immediately opened negotiations with Michigan and succeeded in filing a game for next fall.

**SUPPLEMENT UNI DIRECTORY**

List of Students in Ag. High School  
Added by Christian As-  
sociations.

The Christian Associations have issued a supplement to the University Directory containing the names of the students of the Agricultural high school. Persons possessing a copy of the University Directory can obtain the supplement free of charge by applying at the office in the lobby of the Temple building or either of the general secretaries of the associations. Such persons must produce their copy of the University Directory with their name written on it. The supplement can be purchased separately for five cents except by the students of the Agricultural high school who must buy it with the University Directory. To such, the directory and supplement will be sold for ten cents. Only a limited edition of 500 copies has been printed.

Boston, Dec. 17.—Prof. Roscoe Pound before coming to Harvard as Story professor of law, dean of the law school at the University of Nebraska, will probably be named by Governor Foss for the supreme bench to fill the vacancy caused by the resignation of Justice Morton.

Professor Pound has been in conference with the governor and his name will go the executive council this afternoon or tomorrow, according to present plans. The governor has been much criticised in connection with this appointment by the friend of Governor-elect Walsh, it being asserted that this and other resignations are coming at this time in order that the incoming democratic governor may not have the opportunity to fill important posts naturally becoming vacant during his term.

Mr. J. J. Heath of Chicago was a campus visitor this week.

BLACK OVERCOAT taken from M. A. 304 has been traced and person who took it will avoid trouble by returning same to Rag office. 12-15-31

Pershing Rifle drill tonight in the armory. A medal spell-down will be the order of the drill, and every Pershing is urged to be present.

All those who sold Christmas tags are asked to turn in the money to Miss Genevieve Lowry today. This is very important as the buying committee must begin work at once if the gifts

are ready for distribution before Christmas.

A "checker tournament" will be held in the University Temple the first week after the Christmas holidays. Five dollars in prizes will be given to the two first winners, three dollars to the first and two dollars to the second. Entries can be made in the office of the general secretary now, and 10c is the fee.

Miss Dorothy Morehead, a member of the young women's class of the University Student's Guild of the Presbyterian church, is giving a Christmas party at the governor's mansion, inviting both the young women and the young men of the Student's Guild. These two classes number nearly one hundred students.

Miss Ellen Hinterlong of Minden is visiting relatives in Lincoln.

**Fencing Almost a  
Lost Art With Most  
University Students**

What has become of the old fashioned folks who used to look upon fencing as one of the most valuable of the required studies? This question is being heard rather frequently nowadays about the university campus.

The fencing apparatus in the gym is at the free disposal of the students at all times, and the work is required of sophomore gymnasts, and yet the interest in the sport has been gradually subsiding for several years, until now scarcely a man within the walls of the Uni could tell you the first principles of the ancient mode of warfare.

Authorities agree that the work is splendid for training in alertness, as well as in the art of self-defense. It is claimed that there is nothing better for teaching speed of vision and quickness or arm. However, these qualities are so well brought out in boxing that fencing has been almost entirely supplanted in the hearts of the public.

**We're Going to K. U.**

According to a ruling of the University of Kansas, no student may attend a dance at which an admission is charged.

The gymnasium of Dartmouth is so large that a full-sized baseball diamond can be laid out in it. This has already been done and daily practice has been held on it.
