

# Tuesday & Wednesday Only

All of our fine Kensington, Kenmor and Kuppenheimer winter overcoats at the big savings shown below. Too much warm weather this winter leaves us with more overcoats than we ought to have, hence for quick clearance we take this drastic action. Don't miss out on this splendid chance---take your pick of the cream of our stock at savings that in some instances amount to \$17 on a single garment. But be sure and come today or tomorrow---after that they go back to regular prices.
