NOT MUCH CHANCE FOR THAT MINNESOTA GAME

Gopher Authorities Appear Unwilling to Schedule Another Contest.

Coach Stiehm has not given up all hope of playing Minnesota next year, but he admits that the chances look mighty slim. He wants a game at Minneapolis next year, on condition that the Gophers come here in 1915, but the Minnesota authorities cannot see any advantage in coming to Lincoln for another defeat, and so they are holding out for a one-year contract.

In a letter to Stiehm, Manager A. L. McBean of Minnesota relates that the athletic board there has referred the matter to a committee composed chiefly of alumni. He declares that sentiment is against scheduling another game because the Gophers have enough Big Nine contests arranged for already, and cannot stand such a hard battle so early in the season.

"ROUND UP" MEETING HELD AT Y. M. C. A. ROOMS TODAY

Is One Series of Committee Meetings Now in Progress.

The program for the "Round Up" meeting of committees of the University Y. M. C. A. to be held today at 12:30 p. m. is an interesting one. After the usual luncheon, Mr. Petrus Peterson, a prominent lawyer of the city, will make a devotional talk. H. B. Pier will make a report as a representative of the committee of Leading Boy's Bible classes.

The most important feature of the meeting will be the talk by Dean Engberg on the subject of "A Students' Daily Schedule." Results and benefits of the banquet held last night will be discussed.

A meeting of the Scandinavians is scheduled for Saturday evening the 24th, at 8 p. m. in room 104, Law building. Dean Bussey will talk on "Linnens, the Founder of the Science of Botany." This will be a rare opportunity. Everybody out.

Band To Give Concert At Oliver Monday Night, February 2.

There will be something doing when the band starts up the opening march at its annual concert this year. People who have heard the band in its daily rehearsals recently say it is far superior to the band which was the pride of the student body on the football field last fall.

The management has decided to give the concert in the Oliver, and, with the special permission of the committee on student activities, have arranged for Monday, February 2.

BILLION DOLLARS FOR SPORTS IS ANNUAL BILL FOR COLLEGES

However Dr. H. Shindee Wingert Declares Few Benefit From This Expenditure.

Indianapolis, Ind., Jan. 23. Athletic expenses of colleges in the United States amount to more than one billion dollars a year, but the major portion of the money does not go to pay for physical exercises of the students. This information was contained in the report of Dr. H. Shindee Wingert, director of physical education at Ohio state university, which was received by the athletic authorities of Indiana university yesterday.

The majority of the students attending American colleges do not take the physical exercises to keep their bodies in a healthful condition, the report says. Dr. Wingert shows that of 11,600 students in 150 institutions only 18,259 participate in the athletic games while in non-university games 45,378 men take part. On the sports not played under the direction of colleges only \$71,000 is spent annually.

Out of 143 colleges taking part in intercollegiate sports, 37 per cent take no interest in fostering any type of physical exercise, the report says. Fifty-one per cent try to create love for sports by promoting football, baseball, basketball and other games. Twenty-one per cent give corrective exercises; fourteen per cent hygienic lectures; 5 per cent require swimming, and 2 per cent teach dancing.

Dr. Wingert's investigation is part of the program being carried on by colleges to have all students participate in athletic exercises.

"15 HUNDRED"

Y. W. C. A. Vesper Services.

A splendid vesper service took place Thursday evening. It was devoted to the subject, "The College Girls' Recreation." Miss Gettings, the first speaker, outlined athletics open to Nebraska girls and called attention to the fact that too few girls are indulging in this form of recreation.

Bertha Wiese told in an interesting way what she believed to be the spirit of recreation, emphasizing especially that it should mean refreshed spirits.

Ruth Malone sang "Abide With Me." Elizabeth Scott spoke on the subject, "College Friendships," making the point that these friendships should be broad and numerous.

Mabel Daniels concluded the meeting with a few verses and lesson from the Bible.
