## CHARTER DAY MEET

SMALL CROWD ATTENDS ANNUAL INTER-CLASS CONTEST.

### POLE VAULT WAS THRILLER

No Records Broken—"Seven" Meyers Gets Away With Three Firsts—Sophomores Win the Relay Race.

Before a small crowd the annual Charter Day Athletic Meet was held yesterday afternoon in Memorial Hall.

The first event—a 25-yard dash was won by Herbert Reese. Although no record was broken, there was a lively tussle to see who would win. Reese performed steadily. He won the third trial heat, the second semifinal heat and the race. Zumwinkel finished second and Wherry third. Kruse ran a close fourth.

1—25-Yard Dash. Record, 3 seconds—E. W. Brannon, '11.

Preliminaries—First heat: Irwin, 2. Keefe, 3. Wherry, 4. Lipman. Winner, Irwin; second, Wherry. Time, 3.1 seconds.

Second heat: 1. Kruse, 2. Long, 3. O'Brian, 4. Miller. Winner, O'Brian; second, Kruse. Time, 3.2 seconds.

Third heat: 1. Rasmussen, 2. Deering, 3. Southwick, 4. Reese. Winner, Reese; second, Deering. Time, 3.1 seconds.

Fourth heat: 1. Zumwinkel, 2. Scott, 3. Purney. Winner, Scott; second, Zumwinkel. Time, 3.1 seconds.

Semi-finals, 25-yard dash—First heat: Wherry, first; Kruse, second. Time, 3.1 seconds.

Second heat: Reese, 1st; Zumwinkel, second. Time, 3.2 seconds.

Final, 25-yard dash: Reese won; Zumwinkel, second; Wherry, third. Time, 3.2 seconds.

The pole vault was a thriller. Only three men tried for the honors. All tied at eleven feet. On the flip for places, Frank Reavis won first; Doodle Reavis, second, and Linstrum won third. All of the men tried for eleven feet six inches. Every man just missed by a hair's breadth.

2—Pole Vault. Record, 11 feet 2 inches—A. C. Linstrum, '13.

1. Linstrum, 3. D. Reavis, 5. F. Reavis.

Herb Reese won the shot put with a heave of 43 feet 7 3/4 inches. "Seven" Meyers placed second, 42 feet 6 1/2 inches. O'Brian third, 41 feet 9 3/4 inches.

O'Brian is a freshman and will make a valuable man on the 1917 track team this spring.

3—12-Pound Shot Put. Record, 44 feet 7 inches. Herbert Reese, '13.

1. Ross, 2. Kruse, 3. Long, 4. O'Brian, 5. Meyers, 6. Corey, 7. Reese.

"Seven" Meyers won the fence vault with a pull up of 6 feet 6 inches. He tried for a record at 5 feet 9 inches and just missed out. He went over and the enthusiastic fans let up a howl of delight. Their glee took a sudden drop when Referee Kearns ruled it a miss. Southwick won second and Flansburg third.

4—Fence Vault. Record 6 feet 8 1/2 inches—A. B. Chain, '09.

1. Southwick, 2. Meyers, 3. Flansburg.

"Seven" Myers captured the high jump with a gentle step of 5 feet 2 inches. Kruse was second and "Clint" Ross third.

## REGISTRAR RUTLEDGE TENDERS HIS RESIGNATION

Call of the Ranch Life Deprives Nebraska of Registrar—Greer to Fill Position.

Mr. Edwin Rutledge, who has been registrar of the University for the last two and a half years, has submitted his resignation to the Board of Regents at its meeting yesterday afternoon. The resignation is to take effect on April 1. Vancil K. Greer, assistant registrar, was appointed to succeed Mr. Rutledge.

Mr. Rutledge has been connected with the registrar's office for a good many years. He served as assistant registrar under P. J. Harrison from August, 1908, to September, 1911, when he was appointed registrar on account of the resignation of Mr. Harrison. He graduated from the University in 1909. Mr. Rutledge is a member of the Alpha Theta Chi and Phi Alpha Tau, an honorary public speaking fraternity.

During Mr. Rutledge's tenure of office the registration system has been developed to its present state. Mr. Rutledge also made it possible for the freshmen to secure their registration assignments by mail, thus cutting down the time required to register considerably. Investigators from the neighboring state schools have commended the registration system here as one of the best developed and satisfactory systems in the United States.

Mr. Rutledge also had the publication of the university bulletins and catalogues in charge. He inaugurated the plan of publishing the catalogues in June instead of publishing them in (Continued on Page Three)

## HUSKERS TAKE DOUBLE-HEADER FROM DRAKE

Nebraska Champions Swamp the Bulldogs in First Conference Game.

Drake was completely swamped in the basketball games with Nebraska last Friday and Saturday. Our boys had it on the Bulldogs in every department except free-goal throwing. Captain Tupper of the Bulldogs made 14 goals out of 22 free chances. Nebraska made 1 out of 8 chances.

The first game was slow the first half, as Coach Stiehm did not have Hugg and Rutherford in the line up. The second half was much faster with these two men in the game. Dick brought the crowd to its feet several times. His defensive play is such as has seldom been seen on the home floor. The team this year seems to be so well balanced that it is difficult to pick out stars. Each man on the team played a spectacular game and another championship will not surprise the students who have seen the team in action.

The second game was faster than the first, but the Bulldogs were outclassed completely. They made but two field goals during the whole game. After the regulars put the game on the shelf, Jumbo swamped the floor with subs. Dick and Ross again displayed their skill in the art. Hawkins played a good game and was the only one played the whole period. Hugg also played a fast game and during his short period in the game made the most points.

## GIRLS' MASS MEETING AT CONVOCATION TODAY

Girls' Quartet to Appear—Special Rally to Boost Basketball Tournament.

The girls' mass meeting today at 11:30 is to be a rally in the interest of the inter-class basketball tournament which comes off Friday evening, February 20. The program is going to be splendid and somewhat unusual. A quartet of leading songsters of the school is preparing new numbers in honor of the occasion. Four representatives of the classes are composing songs and cheers for their teams. Mrs. Raymond is going to conduct an enlightening rendition of the Cornhusker. The faculty speakers will tell how it used to be, how it will be, and give prophecies of how it will be in the coming tournament.

The feminine members of the Dramatic Club had expected to give "How the Ballot Was Won" as a special feature for the Girls' Convocation, but unforeseen difficulties have required a postponement of this production.

Bess Rogers will be the cheer leader. The speakers will be as follows: Miss Graham, Miss Beghtol, Helen Carroll, Virginia Leitch, Esther Bennett, Helen Sorenson. The class teams and captains will occupy a prominent place on the platform. The captains are: Freshman, Ernestine Linborg; sophomores, Lucille Leyda; Juniors, Marie Clark; seniors, Gertrude Vandriel.

The purpose of this rally is to arouse enthusiasm for the tournament, which will be held Friday, February 20.

## INJUNCTION SUIT AGAINST NEBRASKAN DISMISSED

Efforts to Put Rag Out of Business Unsuccessful—Damage Suit Next Month.

After an interruption of one issue, the Daily Nebraskan again resumes publication. Judge Stewart of the District Court denied the application of the Kuhl Printing Company last Saturday for a temporary injunction to restrain the publication of the Nebraskan at any printing office except the plaintiff's.

Kuhl alleges that he has a contract with the officials of the Nebraskan for a year's contract, and sought specific performance on this alleged agreement. At the beginning of the second semester the business management ordered the copy taken to the Western Newspaper Union, where the "Rag" has been issued for the past two weeks. The defendants to the suit denied that there was any contract and assert that they had a right to change printers.

All the members of the Publication Board were summoned also the business management after a submission of testimony on both sides, the court held that the matter of a contract was very uncertain and that the plaintiff had an adequate remedy at law without the use of an injunction. The writ was therefore denied.

The case is expected to come to trial next month. With the successful meeting of this barrier the management of the Daily Nebraskan claim that nothing will interrupt their publication in the future and that their subscribers may expect a bigger and better paper than ever.
