The meetings at Wiggle Creek closed with a splendid interest. It was a great privilege to preach to such receptive audiences. We had the pleasure of taking meals last week with Mr. and Mrs. Frank Daddow, Mr. and Mrs. McBeth, Mr. and Mrs. Ernest Daddow, Mr. and Mrs. Thomas McCadden and Mr. and Mrs. J. E. Roush. One of our good farmer friends out there brought us a big load of cobs this week for which we are very grateful. Sunday School at Wiggle Creek next Sunday at 2:30. Preaching at 3:30.

WHAT THE KIDNEYS DO
Their Unceasing Work Keeps Us Strong and Healthy.

All the blood in the body passes through the kidneys once every three minutes. The kidneys filter the blood. They work day and night. When healthy they remove about 500 grains of impure matter daily, when unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms—which vary widely but may include pain in the back, headache, nervousness, hot, dry skin, rheumatic pains, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine, etc. But if you keep the filters right the danger is overcome. Doan's Kidney Pills have proven an effective kidney medicine.
James Johansen, Loup City, says: "I was in pretty bad shape with my back and couldn't stoop or straighten up without being in misery. Sharp pains often seized me and I dropped to the ground. As soon as I began using Doan's Kidney Pills, procured at the Swanson Drug Store, I could tell that I was being helped. They have never since failed me."
Price 50 cents at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Johansen had. Foster-Milburn Co., Buffalo, N. Y.

CURED HIS PILES WITHOUT OPERATION

Ravenna, Neb., Nov. 21, 1916. Three years ago I suffered with a very bad case of Piles. I was so run down physically with this trouble that I lost over 20 pounds in weight and found it very hard to attend to my work. I was advised to see Dr. Rich, of Grand Island, Neb., which I did. I am now glad to testify after three years, for Dr. Rich's benefit and for the benefit of others suffering as I did who wish to be cured without an operation, that I am cured. I have not had a single symptom of Piles since I was treated three years ago and am back to my normal weight and health. In fact, I feel better than ever, other troubles having left me when my Piles were cured. I had suffered with Piles for ten years, the last three years of which time was simply the infernal for me. For the good I received from Dr. Rich I am deeply grateful—and I most sincerely recommend his treatment to any one who needs it.

Also, we believe it is economy and good business judgment to pay high enough salaries, to those who have proved their worth, as will encourage the younger people in the organization to work faithfully with better positions as their goal.

We strive to assist worthy employees to lay aside a part of their earnings by making it easy for them to acquire financial interest in the business. More than half of the men employed by this Company are stockholders.

With no expense to employees, we provide for their sickness, disability, injury, old age or death, as well if not in a broader spirit than any other corporation or government.

To make for the highest efficiency in the organization we rigidly enforce the principle of advancement of employees, dependent upon integrity, ability and meritorious work alone.
