CHURCH NOTES.

Baptist.
The revival meetings at the Baptist Church are starting out splendidly in spite of the inclemency of the weather. Rev. E. H. Robinson of Kansas City, Mo., is a man who understands the Bible and presents the truth in a very earnest and convincing way. He is organizing a Junior chorus, which will be a permanent feature of the work in the church hereafter. Thus early in the meetings there is evidence of good God's Spirit working upon the hearts of his people. But only those who attend regularly can hope for the most good to themselves, therefore we would urge that every member of the church especially attend the morning bible study and prayer service which will be announced each evening. Meetings will continue this week and next. Everybody will be most heartily welcomed to both morning and evening services.

Methodist.
Quite an audience braved the storm Sunday morning and we had a good service. A few gathered for Epworth League. We dismissed the evening preaching service and attended the Baptist meeting. Evangelist Robinson gave a fine message. Methodists are invited to attend the meetings. We will be glad to do so. We will postpone all special features during the week until the meetings in our sister church are closed. We have an offer of something of interest to our people and to our city. But do not forget our own Thursday night meeting.

Sermons by the pastor next Sunday. At 10:30, "The Affirmative Life." At 7:30, a sermon of interest on the subject of "Heaven." Sunday school at 11:45. You will like our school. Epworth League at 6:30 led by Mrs. Edgar Foster. Topic, "A Half-Life or a Whole Life Which? Make our church your church."

PREVENT HOG CHOLERA.
The B. A. Thomas Hog Powder has a record of 95 per cent cures of Hog Cholera. If you feed your hogs as directed, you need never fear hog cholera nor any other hog disease. And the directions are very simple. Just about what you are doing, plus a few cents worth of B. A. Thomas Hog Powder in the feed twice a week. Usually, though, Cholera gets in before we know it. Then it requires close attention to each hog—each hog must be dosed—and if you will dose them as directed, you will save better than 90 per cent. If you don't the B. A. Thomas medicine costs you nothing. We—not some distant manufacturer—pay your money back.—J. J. SLOMINSKI, Loup City, Neb.

The demand for good auctioneers is large. There are too many of the second class kind and too few of the first class sort. There is scarcely a community in Nebraska which is not now waiting for a capable auctioneer to come in and take care of the auction business. It is only necessary to show your ability by making a few good sales. Then you can have all the work you want.

CURED HIS PILES WITHOUT OPERATION

Ravenna, Neb., Nov. 21, 1916. Three years ago I suffered with a very bad case of Piles. I was so run down physically with this trouble that I lost over 20 pounds in weight and found it very hard to attend to my work. I was advised to see Dr. Rich, of Grand Island, Neb., which I did. I am now glad to testify after three years, for Dr. Rich's benefit and for the benefit of others suffering as I did who wish to be cured without an operation, that I am cured. I have not had a single symptom of Piles since I was treated three years ago and am back to my normal weight and health, in fact, I feel better than ever, other troubles having left me when my Piles were cured. I had suffered with Piles for ten years, the last three years of which time was simply the infernal for me. For the good I received from Dr. Rich I am deeply grateful—and I most sincerely recommend his treatment to any one who needs it.
