## **BE AN AUCTIONEER** Earn \$50.00 to \$100.00 a Day

The demand for good auctic seers is large. There are too many of the second class kind and too few of the first class sort. There is scarcely a community in Nebraska which is not now waiting for a capable auctioneer to come in and take care of the auction business. It is only necessary to show your ability by making a few good sales. Then you can have all the work you want.

## **New Term Opened January 1**

No time to be lost. You can learn in a month, the cost is small, and you can make money right from the start. Auctioneering is a mighty good business. And the right place to learn it is at the largest auctioneering school in the world, the
