The New Edison

"The Phonograph with a Soul"

is conceded by the music critics of more than three hundred of America's principal newspapers to be incomparably superior to all other devices for the reproduction of sound. This remarkable new musical invention brings into your home a literally true presentation of the art of the world's great musical artists. After you have heard the New Edison you could scarcely be contented with a talking machine. In our locality A. C. Ogle is licensed by Mr. Edison to demonstrate this new instrument. You will not be importuned to buy.

Visit the new garage and hear this wonderful invention. A large number of records on hand.

The New Edison sells for \$100 and up

EASTER

marks the awakening of nature from its long winter's sleep, the re-clothing of the somber fields and forests in becoming raiment.

EASTER CLOTHES

are but a reflection of this natural and universal impulse. They mark the casting off of Winter's cumbersome restrictions in the matter of dress.

YOUR EASTER SUIT

should be selected in the spirit of the Easter tradition; should be seasonable in the matter of style but irreproachable from the standpoint of good taste.

Adler Collegian Clothes

have long been recognized as the standard of selection in the ready-to-wear clothing field. The new spring Collegian styles now on display in our store are all absolutely correct as to design. The choice is merely a matter of your personal preference. We will be delighted to assist with our expert knowledge of clothing values.
