

Druggists Everywhere Recommend Swamp-Root

My customers speak very favorably regarding Dr. Kilmer's Swamp-Root and am confident that it must possess real value and believe that it will cure kidney troubles if taken in time and directions followed. For ten years I have not received a single complaint and have enjoyed a splendid sale on it.

Since your remedy has been introduced in this market I have sold and recommended it, and it is a preparation that is well spoken of by the large number of people who use it. From the reports I have received I believe Dr. Kilmer's Swamp-Root possesses great merit as a kidney, liver and bladder remedy.

Realizing His Importance. Louis is the only boy, not only in the immediate family, but also in the collateral branches. One night at his nurse's knee he said his prayers aloud: "Now I lay me down to sleep. I pray the Lord my soul to keep. If I should die— Pussing he reflected a moment, and then broke out: "Golly! Wouldn't there be a row in this family if that 'ud happen!"—Harper's Magazine.

TAKES OFF DANDRUFF HAIR STOPS FALLING

Girls! Try This! Makes Hair Thick, Glossy, Fluffy, Beautiful—No More Itching Scalp.

Within ten minutes after an application of Danderine you cannot find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first—yes—really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable luster, softness and luxuriance.

Get a 25 cent bottle of Knowlton's Danderine from any store, and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all—you surely can have beautiful hair and lots of it if you will just try a little Danderine. Adv.

He Ran Out of Ink. A seven-year-old boy grew rather peevish at his eleven-year-old sister. He believed that diplomacy rests largely in note writing, so, instead of delivering his opinion by word of mouth, he retired to a safe and private place, where he took his pen in hand and wrote the following: "Susie is a hobo. "Susie is a bone head. "Susie is a skunk. "Susie is a wart hog. "Susie is a polecat. "Susie is a hog. "I could say more, but I will not be too hard on her."

FAIRY TALE

A short story that will be of interest to all readers of the Northwestern, and especially the little folks. It appears in this section weekly. What's your opinion of it?

DADDY'S EVENING FAIRY TALE BY MARY GRAHAM BONNER

SNAKES' SPRING SUITS.

"The Snake family," said Daddy, "had been having a fine sleep all winter."

"I think it is warm enough for us to get up," said Mrs. Wiggle Snake.

"It seems to me it is too," said Mr. Wiggle Snake, in a low hissing voice.

"He really thought it was a most pleasant voice and of course as all the Snakes speak the same way their voices do not sound to them as they do to us."

"It's good to have the spring again," said some of the little Snakes as they wiggled and stretched and yawned.

"Ah yes," said Mrs. Wiggle Snake. "I need my new spring dress."

"I need my new suit," said Mr. Wiggle Snake.

"And we all need new clothes," said the little Snakes.

"That's so, my dears," said Mrs. Wiggle Snake, "we each need a quite new outfit."

"We shall have it," said Mr. Wiggle Snake. "Of course we shall," agreed Mrs. Wiggle Snake. "That is one thing extremely nice about the Snake family, we don't always wear the same clothes. How often we see the same Creatures in the same old clothes all the time. Now we have a new suit apiece every single spring."

"We have to put up with hardships in order to get it, though," said Mr. Wiggle Snake. "It doesn't all come so easily. Perhaps other Creatures don't care so much for something new as we do. For we show how much we care about it when we go to such a lot of bother."

"You see every spring, when the Snake families awaken from their winter naps, they all change their skins."

"While they are waiting for the new skin to be grown upon them—they have to wait for their new suits just as folks who go to Tailors have to wait for their suits—they are quite, quite blind."

"After they have shed their old skins they become blind and for two weeks while their new skins are becoming perfect they cannot see at all."

"They feel their way about with their forked tongues which are especially sharp and excellent at just this time."

"Their new skins have been growing under the old ones, but when they

HANDSOME FROCK OF SATIN.

The handsome frock of satin appears in the picture to have a bias against symmetry and to be a one-sided affair. But this is the fault of the photograph for both sides of the overdress are made in the same way. The skirt of the overdress, cut in one with the body slopes downward and toward the back, falling in cascaded plaits at the bottom. In the back it is long enough to reach nearly to the bottom of the underskirt.

The underskirt is almost plain, with plaits at each side of the front panel and across the back. It has a wide hem; but simplicity in this model ceases with the underskirt. The overdress is odd and intricate, with graceful, draped body, following the lines of the figure vaguely and extending below the waistline at the front. It takes an expert to manage the cutting of a garment that is unusual in adjustment, like this one. The bodice opens diagonally across the front and the opening disappears under an ex-

terials there are a few that have a vest of satin set in at the front which is fitted with a high collar, for the benefit of women who object to the open throat. There are also a few models with convertible collars; but the newly arrived jabot of lace, attached to a high collar is worn with blouses that open at the throat and is destined to save the day for the very thin woman.

When we come to think of it, there are many kinds of blouses to choose from this spring. There are two-piece blouses, sweater blouses, kimono blouses and peplum blouses, besides the one-piece blouse without a peplum which occupies so much of our attention. The two-piece blouses are usu-

A Medicine for Women

For Forty Years Lydia E. Pinkham's Vegetable Compound has Relieved the Sufferings of Women.

It hardly seems possible that there is a woman in this country who continues to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial after all the evidence that is continually being published, proving beyond contradiction that this grand old medicine has relieved more suffering among women than any other medicine in the world.

Mrs. Kieso Cured After Seven Month's Illness.

Aurora, Ill.—"For seven long months I suffered from a female trouble, with severe pains in my back and sides until I became so weak I could hardly walk from chair to chair, and got so nervous I would jump at the slightest noise. I was entirely unfit to do my house work, I was giving up hope of ever being well, when my sister asked me to try Lydia E. Pinkham's Vegetable Compound. I took six bottles and today I am a healthy woman able to do my own housework. I wish every suffering woman would try Lydia E. Pinkham's Vegetable Compound, and find out for herself how good it is."—MRS. KARL A. KIESO, 593 North Ave., Aurora, Ill.

Could Hardly Get Off Her Bed.

Cincinnati, Ohio.—"I want you to know the good Lydia E. Pinkham's Vegetable Compound has done for me. I was in such bad health from female troubles that I could hardly get off my bed. I had been doctoring for a long time and my mother said, 'I want you to try Lydia E. Pinkham's Vegetable Compound.' So I did, and it has certainly made me a well woman. I am able to do my house work and am so happy as I never expected to get around the way I do again, and I want others to know what Lydia E. Pinkham's Vegetable Compound has done for me."—MRS. JOSIE CORNER, 1668 Harrison Ave., Fairmount, Cincinnati, Ohio.

Healthy Skin Depends On Kidneys

The skin and the intestines, which work together with the kidneys to throw out the poisons of the body, do a part of the work, but a clean body and a healthy one depends on the kidneys. If the kidneys are clogged with toxic poisons you suffer from stiffness in the knees in the morning on arising, your joints seem "rusty," you may have rheumatic pains, pain in the back, stiff neck, headaches, sometimes swollen feet, or neuralgic pains—all due to the uric acid or toxic poisons in the blood. This is the time to go to the nearest drug store and simply obtain a 50c package of Anuric (double or triple strength), the discovery of Dr. Pierce of Buffalo, N. Y. Then drink a cup of hot water before meals, with an Anuric Tablet, and notice the gratifying results. You will find Anuric more active than lithia.

You Can Make Excellent Cake With Fewer Eggs

Just use an additional quantity of Royal Baking Powder, about a teaspoon, in place of each egg omitted.

This applies equally well to nearly all baked foods. Try the following recipe according to the new way:

Old Way	New Way

1/2 cup milk	1 cup milk
2 cups flour	2 cups flour
2 teaspoons Royal Baking Powder	4 teaspoons Royal Baking Powder
3 EGGS	1 egg
1/2 cup shortening	2 tablespoons shortening
1 teaspoon flavoring	1 teaspoon flavoring

Makes 1 Large 2-Layer Cake

DIRECTIONS—Cream the sugar and shortening together, then mix in the egg. After adding the flour and Royal Baking Powder together, two or three times, add it all to the mixture. Gradually add the milk and beat with spoon until you have a smooth pour batter. Add the flavoring. Pour into greased layer cake tin and bake in a moderately hot oven for twenty minutes. This cake is best baked in two layers. Put together with cream filling and spread with white icing.

Canada Offers 160 Acres Free to Farm Hands

Bonus of Western Canada Land to Men Assisting in Maintaining Needed Grain Production

The demand for farm labor in Canada is great. As an inducement to secure the necessary help at once, Canada will give

ONE HUNDRED AND SIXTY ACRES OF LAND FREE AS A HOMESTEAD

and allow the time of the farm laborer, who has filed on the land, to apply as residence duties, the same as if he actually had lived on it. Another special concession is the reduction of one year in the time to complete duties. Two years instead of three as heretofore, but only to men working on the farms for at least six months in 1917. This appeal for farm help is in no way connected with enlistment for military service but solely to increase agricultural output. A wonderful opportunity to secure a farm and draw good wages at the same time. Canadian Government will pay all fare over one cent per mile from St. Paul or Duluth to Canadian destination.
