Song service beginning at 7:30 followed by the regular service.

Very interesting reports were given last Sunday evening by the delegates who attended the Assembly which was held at Grand Island last week. More will be given Sunday evening.  
We are looking forward to a great treat during the month of August. The Grand Island association of churches will convene with us, and a number of the state workers will be present. Let us keep this in mind and be ready.

**Presbyterian**  
The annual meeting was the most largely attended and the most representative body we have ever had at an annual meeting. The reports of the various departments of the church were inspiring. There were indications of health and growth on every hand. Every department reported all bills paid, and a nice balance on hand with which to begin the new year. More money was raised last year for current expenses and benevolences than ever before, the total from all sources amounting to almost \$3,900.

At the election of officers, the same board of elders were re-elected. E. T. Beushausen, Carl Anderson and C. J. Larsen were added to Board of Trustees. Clarence Coltrane and M. Biemond were added to the list of ushers, and Miss Mable Hansen was elected church treasurer with Miss Birde Lofholm as assistant.

A new constitution had been prepared by the Elders and was voted on and adopted at this meeting. After the program all repaired to the dining room in the basement where the Ladies' Industrial society had prepared a delicious banquet, and at a late hour we adjourned feeling that it was good to have been present.

The Sunday school re-elected all of the old officers last Sabbath morning. The nominating committee were of the opinion that things were going so well that no change was needed.  
Sunday morning at 10:30 the pastor will preach an Easter sermon entitled: "Christ's Discretion of the Individual" and in the evening the choir will render a special Easter Oratorio, "The Easter Evangel" by Lorenz. This is a splendid musical production and sets forth the story of the Resurrection of Christ in a very graphic way. Do not fail to hear it.

The subject for Christian Endeavor will be "The Significance of Easter," Ward VerValin will be the leader.

**Methodist.**  
Sunday services were well attended. Miss Ruth McFadden now leads in the Epworth League contest by 25 points. The race is close. Help your leader next Sunday.  
The entertainment given by the Wesleyan glee club Monday night netted the Scouts about \$50. They appreciate very much the splendid attendance. It proves that Loup City folks like the best obtainable and when they get it will respond. The audience seemed well pleased with the program. Many thanks to Mr. Long and the Scouts for the pleasure of the evening.

The Ladies' Aid society met Wednesday afternoon with Mrs. Waggoner. The W. H. M. S. meets with Mrs. Beebe this Friday afternoon. A good attendance of the women of our church is desired.

Next Sunday is Easter. The ladies may all wear their new hats during the preaching services of the day; but hereafter they have voted to take the

hats off during preaching service. Thank you ladies. Let us plan to make Easter a great day. May all the barriers which keep the Christ life out be rolled away. Every member and friend of the church should be present. Easter program by the Sunday school at 10:30. Easter sermon by Mrs. Wm. Doner at 7 o'clock. Topic, "What Easter Means to Me." Dr. Isham will hold our second and third quarterly conference Monday April 9th. The canvassing teams will be around to see you too. Let each of us co-operate to make the new financial plan a happy success.

#### Omaha Eleventh City in U. S. in Bank Clearings.

Omaha, April 4.—That Omaha is today the eleventh city in the United States in point of bank clearings is but another evidence that it is situated in the heart of the richest agricultural section of the country. The cities which show greater clearings are New York, Chicago, Philadelphia, Boston, St. Louis, Kansas City, San Francisco, Pittsburg, Cleveland and Denver. Only a few years ago Omaha's place was eighteenth. It has gradually crept up to sixteenth and fifteenth place. Many cities with more than 300,000 population have smaller bank clearings than Omaha. Omaha ranks thirty-fifth in population.

Omaha's enviable position again reflects the wonderful prosperity of the great states of her immediate trade territory, Iowa, Nebraska, South Dakota and Wyoming.

Bank clearings for the week of March 1 to March 8, were \$45,498,000, an increase of 57.9 per cent over the corresponding week in 1916.

Delay Has Been Dangerous in Loup City.

Do the right thing at the right time. Act quickly in time of danger. In time of kidney danger Doan's Kidney Pills are most effective. Plenty of Loup City evidence of their worth.

Mrs. H. L. Adamson, Loup City, says: "For the past ten years, we have used Doan's Kidney Pills in our home and they have always done just as represented. I have been a sufferer from my kidneys for a long time and many weeks was laid up so that I couldn't do a thing. My feet and ankles were swollen and my sight became affected. Backache made me nervous, stiff and lame. After using Doan's Kidney Pills, which I got at the Rexall Pharmacy, I received relief."

Price 50 cents at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Adamson had. Foster-Milburn Co., Props, Buffalo, N. Y.
