Thrifty Saving Leads to Fortune

Every great fortune had its origin in small savings.

Wealthy men have repeatedly risen from the ranks of newsboys and bootblacks.

The first savings bank abolished poverty in the little Scotch village, which was its birthplace, by making it possible for people to save small amounts. Previously the banks would not accept a smaller deposit than \$50.00.

The flexibility of the modern bank accommodates itself to every class of people. Even the little child who saves his pennies until he has a dollar to deposit, has all our facilities at his command.

"Despise Not The Day of Small Things."

Electrified Homes

Electricity is now fast superceding old methods in many departments of the home. The modern home—the COMFORTABLE home—now has

- Electric Heaters
- Electric Irons
- Electric Lights

and many other labor saving and cost saving appliances. It is the ideal force—no danger, no annoyance, no failure. You are losing half the enjoyment of life if your home is not electrified. Let us wire your house for lights.

We handle the Almo Lighting systems for farm homes. Call and let us explain them to you.

It will pay you to follow each two weeks the advertisements being inserted by J. J. Slominski, regarding U. S. cream separators. One of this series of advertisements appears this week on page eight. If you will request a demonstration from Mr. Slominski, you will see at once that every claim being made in the U. S. cream separator advertisements is true. The U. S. cream separator has several very important advantages over any other cream separator. In deciding what cream separator to buy, it is of utmost importance for you to know wherein the U. S. surpasses. You should, therefore, consult Mr. Slominski. He will also pay you highest prices for your cream, eggs and poultry. See him.

That Spring Hat

All the Easter Novelties are Here

Every woman loves beauty, and no more charming array was ever gathered in one place than is to be found in our Spring Hats for ladies and misses.

In this collection are all the newest and latest models. There are large and small sailors, with straight and drooping brims; colonial shapes, tricorne shapes, and turbans.

All of the colors are here—blue, green, rose, gray, tan, mustard, chartreuse, and black and white.

A hat for any need or taste; a hat to suit any personality.

You should see our novel and artistic line of hat adornments.

It's a value treat for lovers of beauty.

SIX REASONS FOR AVERY TRACTOR SUCCESS

1. The price of Avery tractors are from \$200 to \$500 cheaper than any other makes due to the company having bought their materials for 1917 in the advance of the last raise in prices.
2. Sliding frame, two speed, double transmission.
3. Extra large crank shaft. No owner ever broke one.
4. Removable inner cylinder walls.
5. No pumps, fan or outside lubricator.
6. Avery makes six sizes of tractors, one for every size farm. Call and let us explain this tractor to you and get a catalogue.
