ROCKVILLE HAPPENINGS.

Miss Margaret McPadden spent Sunday with home folks at Austin. Alfred Jensen purchased a Ford car from John Isaacson one day last week. W. R. Henkens sold a new Crow-Elkhart car to Frank Goc last Friday. Dr. L. E. Dickinson of Ravenna, was in town on business, Tuesday afternoon. G. W. Brammer went to Omaha on business Monday afternoon of this week. Gray & Olsen shipped a car load of hogs to the South Omaha market last Tuesday. Mrs. S. E. Sorenson was a Grand Is-

land visitor on business Tuesday of this week.

S. C. Fletcher shipped in a car load of cattle last Friday from South Omaha for grazing purposes.

Miss Evelyn Nielson, who is teaching in district 54, sprained her wrist in some manner while out at her school last Thursday.

We noted in the last edition of the Times a letter from Lester Phillips, in which he states that he has joined the aviation corps. Good for Lester.

Don't forget the big dance at the opera house next Saturday evening. Music furnished by the Dannebrog orchestra and also the Rockville orchestra.

Frank Sundstrom came home from Chicago one day last week, where he has been attending a veterinary school for some time. The school is out until next fall.

An auto load of young men from this place went to a dance near Cairo last Saturday. The Rasmussen orchestra furnished the music. All reported a fine time.

Pressley Heisner and Miss Manilla Brammer were united in marriage at Grand Island Friday April 13. From there they went to Iowa for a visit with relatives.

W. R. Henkens went to Omaha on Tuesday morning to get a new Hupmobile if same is obtainable, as it seems like there is a shortage on Hups at the present time.

The great comedy drama, "The Swede, the Tramp and the Girl" will appear at the Rockville opera house Tuesday evening, April 24. See the ad in this paper elsewhere for a more definite announcement.

PLAN NOW YOUR SUMMER MOUNTAIN TOUR

From Middle and Eastern Nebraska you may go to Glacier National Park either direct or via Denver and Central Wyoming, with 700 miles of mountain panorama. You can visit Rocky Mountain National-Estes Park; you can make an automobile tour of Yellowstone via the Cody-Scenic way. In Glacier you will find the climax of the rugged grandeur of the Rockies.

If your destination is Yellowstone Park, you may go either direct in through sleepers to the Cody-Scenic entrance, or via Denver, to the Cody entrance, coming out via Gardiner.

Rocky Mountain National-Estes Park, just north of Denver, will attract in 1917 the greatest Summer throng on record. Burlington tickets take you via Lyons or via Loveland.

Due to the awakening by the East to the mountain grandeur of the West, whether you choose one mountain locality or make a sweeping circuit tour of the Rockies, you will have plenty of company. Make your plans early. Ask for publication.

every member of the church will be present.

The B. Y. P. U. service will begin at 7:00 o'clock, and regular preaching service at 8:00 o'clock.

Presbyterian

The attendance at services last Sabbath was small, because of the inclemency of the weather we suppose. Of course some folks are always looking for excuses to stay away from church, and they can generally find them. Some people offer excuses for absence at church that they could not think of offering for absence from business.

We shall be glad to see you next Sabbath regardless of the weather. The pastor will preach in the morning at 10:30 on the subject, "Unsearchable Riches" and in the evening at 8:00 o'clock from the subject, "A Rich Man's Mistakes." Christian Endeavor will meet at 7:00 o'clock and C. U. Bitner will be leader.

Methodist.

We were grateful for the moisture last Sunday though it set back our plans. There were about 40 at Epworth League although there was no contest. Mrs. Robert Dinsdale led the meeting and it was a good one. Mrs. Dinsdale is the first vice president of the League and is one of the very best we have ever had in that very important position. She has the selection of leaders for the devotional meetings. To her may be attributed therefore a large measure of the success that has attended these meetings. She has always had a leader ready and the leaders have always led most acceptably. We fully appreciate what Mrs. Dinsdale is doing for the League. Mrs. Wagoner will lead Sunday at 7:00 o'clock. The new contest will probably start soon.

The Ladies' Aid society met with Mrs. A. B. Outhouse Wednesday afternoon. The paragon people are indebted to the ladies for some fine laid linoleum that has been placed in the dining room. They kindly voted us \$35 to use as we thought best. We will have the floor borders refinished soon. We are also profoundly grateful to Mr. E. G. Taylor for the gift of three sacks of "White Satin" flour to help reduce the high cost of living. The flour problem is a big one with us and the gift is a big gift. The pastor was fairly electrified when a voice over the home Monday night informed him that a certain good man and wife were willing to give \$100 to missions this year. That is a wonderful offer. The pastor is praying daily that others of God's people in this church may get the rich blessing of God in their hearts rejoice the heart of God, the hearts of the missionaries of the Cross, and answer the appeal of Bishop Stuntz to us this year, by giving as much to the benevolent enterprises of the church as we are spending on the local church budget. Talk with one another and with God about it.

We are to have one of the most important meetings of the year next Sunday morning. There will be no appeal for money. Some things of vital importance to this church at this time will be said. Will the teams of leaders please phone or see every member of their group and extend an earnest invitation for them to all be present on time. We will need every minute of the time, so please come early. Mr. Williams will talk on, "The Stewardship of Possession." Mr. Long on, "The Stewardship of Personality." Mrs. Ottenbruns on, "The Stewardship of Prayer." The 24 leaders will have a special consecration service and it will be necessary for them all to be present. In the afternoon an every member visitation will be made by the twelve teams. It is hoped that the members will all plan to be at home to enjoy the call. Please don't say, "I'll give but will not make a pledge." If you buy groceries, get married, join a lodge you must pledge. Treat the church and God as you do secular interests. Please pledge on the weekly plan. Be brotherly and keep step with the rest of the folks. Come to church Sunday night and hear the reports of the teams and be happy if you did your part well. If you do your part the church bills will be cleaned up at once.

Rev. Charles G. Gomon will deliver his very interesting address on the "Passion Play" at Wiggle Creek Sat-

urday evening, April 21. He will throw about 100 pictures on the screen. Admission 10 and 15 cents. It will pay you to get the chores out of the way and get there. The pastor will deliver the second in the series to young people in Loup City Sunday night at 8:00 o'clock on the subject, "The Modern Young Man." Welcome to all.

Winning of War Up To The Farmer

That the final responsibility for the winning of the war rests in a large measure with the farmer was the conclusion of 62 state officials and representatives of agriculture colleges from 32 states, who convened at St. Louis May 9 and 10 to consider measures for the conservation of food supplies and the extension of production to protect the country against possible distress from shortage of food.

"It will fall to the United States to feed not only her own people and army but the people and armies of England and France as well," said Dean E. A. Burnett, of the college of agriculture, who with Chancellor Avery and Prof. C. W. Pugsley, director of agricultural extension, represented the University of Nebraska at this conference. "The estimated shortage of the wheat crop for this year (a two-thirds crop is predicted) coupled with Argentine's embargo on wheat will make a serious world shortage."

Increase of corn area; increase of spring wheat area in northern states; planting of killed-out winter wheat fields with oats, corn, or sorghum; growing of more barley, beans, and potatoes; use of only reliable seed; and the conservation of breeding stock were advanced as some of the means of increasing food production.

JUST GOT OVER A COLD?

Look out for kidney troubles and backache. Colds overtax the kidneys and often leave them weak. For weak kidneys—well, read what a Loup City woman says:

"Mrs. J. J. Synak, Loup City, says: 'I had been feeling miserable and run down for sometime. The kidney secretions were retarded and at times my back pained severely. I also suffered from headaches and dizzy spells. I think the trouble was brought on in the first place through having taken cold and it settling on my kidneys. I could hardly do anything about the house while the attack lasted. After using four boxes of Doan's Kidney Pills, which I got at the Rexall Pharmacy, I was cured.'"

Price 50 cents at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that cured Mrs. Synak. Foster-Milburn Co., Props., Buffalo, N. Y.

17-4ti County Clerk.

LEGAL NOTICE.

In the District Court of Sherman County, Nebraska.

In the Matter of the Estate of Henry Lewis, deceased.

Order to Show Cause.

And now on this 30th day of March, 1917, this cause came on for hearing on the petition of Loyd N. Bly, Administrator with the Will Annexed of the estate of Henry Lewis, deceased, praying for a license to sell the following described real estate belonging to said estate, to-wit:—The North Half of the Southeast Quarter and the South Half of the Northeast Quarter of Section Four, Township Thirteen, North Range Sixteen West of the Sixth P. M. in Sherman County, Nebraska, or a sufficient amount thereof to bring the sum of about \$300.00 for the payment of debts allowed against said estate, and costs of administration, for the reason that there is no personal property in the hands of said administrator where-with to pay said debts and expenses.

It is therefore ordered that all persons interested in said estate appear before me at the court room of the District Court in Loup City in Sherman County, Nebraska, on the 5th day of June, 1917, at 9 o'clock A. M. of said day, to show cause, if any there be, why a license should not be granted to the said Loyd N. Bly, Administrator with the Will Annexed, to sell the above described land or so much thereof as may be necessary to pay debts and expenses of administration and the costs of this proceeding.

It is further ordered that a copy of this order be served upon all persons interested in said estate by causing the same to be published four successive weeks in The Loup City Northwestern, a legal newspaper published and of general circulation in said county of Sherman.

Given under my hand at Kearney, Nebraska, this 30th day of March, 1917.

B. O. HOSTETLER,
District Judge.
