NATURE CURES, THE DOCTOR TAKES THE FEE.
There is an old saying that "Nature cures, the doctor takes the fee," but as everyone knows you can help Nature very much and thereby enable it to effect a cure in much less time than is usually required. This is particularly true of colds, Chamberlain's Cough Remedy relieves the lungs, liquefies the tough mucus and aids in its expectoration, always the cough and aids Nature in restoring the system to a healthy condition.

You can visit Rocky Mountain National-Estes Park; you can make an automobile tour of Yellowstone via the Cody-Scenic way. In Glacier you will find the climax of the rugged grandeur of the Rockies.

If your destination is Yellowstone Park, you may go either direct in through sleepers to the Cody-Scenic entrance, or via Denver, to the Cody entrance, coming out via Gardiner.
