The TRACTOR PAYS ITS WAY

If the man who runs it gives it a chance by using an oil made specially for it. STANOLIND GAS ENGINE TRACTOR OIL Recommended by leading engine builders and manufacturers, is best for the tractor because it is made for the tractor. Clean, carbon-free and stable at high temperatures. Lubricates both cylinders and external bearings. Cuts friction to a minimum. Use Stanolind—it means more power at the draw bar and less time out for repairs.

Honest Bill's show had a hard time getting to Loup City and arrived here one day late, showing on Tuesday.

This show is traveling through the country in a novel way, having about a dozen big auto trucks and Sherman county mud and rain was almost too much for them. The show has good equipment and their performance is very good. They have a few elephants, camels, etc., and have a good band composed of colored musicians. The attendance at Loup City was satisfactory considering that the show did not exhibit here on the day advertised.

Quite a number of our young people from this community are contemplating entering the Grand Island Business College this fall. This college was founded thirty-seven years ago, is one of the strongest and most widely known Business College in the west. It has over 2,000 graduates in the banking business alone besides hundreds who are holding splendid positions in the Commercial line. Their business practice department alone is worth many times the cost of the entire course.

Protect Your Crops

The dictionary says: "to insure" means, "to make certain"—"to secure."

When you insure your crops against hail in the companies we represent you make certain that you will receive reimbursements for any losses sustained and you are secure in the knowledge that the companies are reliable and prompt in their payment of claims.

Don't delay—insure today!
