Considerable confusion has resulted from the fact all U. P. trains now run on a schedule fifteen minutes earlier than formerly. Better look up the U. P. time table if you are figuring on traveling on that road.

An itinerant preacher, styling himself the converted "bum" spoke to a large audience on the street Monday evening. This preacher takes no col-

lections and walks from town to town on his gospel preaching mission.

It is the irony of fate, as well as laughable. Even the hardened thieves and murderers in our jails refuse to have anything to do with the slackers when they are thrust in to serve their sentences. Verily, if the way of the transgressor is hard, it would seem that that of the slacker is hell.

Mrs. L. Gee of Vertuná, California, who has been here for several weeks visiting at the Romeo Conger and E. J. Pugsley homes, left for Iowa last Friday. Mrs. Gee will visit in Iowa and Missouri for several weeks and will then return to Loup City for another short visit before returning to her home in California.

Word received from Mrs. Conger states that Jim is doing as well as could be expected, but he suffers a great deal of the time and does not know how long he will have to remain in the hospital at St. Paul. It certainly is good news to his many friends to know that Mr. Conger is improving and all hope that he will soon be able to return home.

F. H. Gibson of Chappell, Neb., is here this week in the interests of the Nispel Land Co. of Chappell, Mr. Gibson reports that the winter wheat crop in Deuel county was not hurt a particle and will average about 28 bushels to the acre. Spring wheat is also a good crop as is also oats and all other crops. Corn is further advanced than there has been, in his report. Deuel county is fast becoming one of the leading agricultural counties of the state and land is steadily raising in price. The publisher of the Northwestern was a resident of Deuel county for five years and can recommend it to anyone who desires good farm land at a reasonable price.

OBITUARY.

Mamie Marie Bauhard died at her home on Hayes Creek, Wednesday evening after an operation for the removal of a growth of membrane on the palate.

She had her tonsils removed two weeks before and seemed to be getting along nicely until the doctor tried to remove a growth which was discovered after the first operation.

She was born at Primrose, Boone County, Nebraska, August 13, 1904 and died July 11, 1917 age 12 years, 10 months and 28 days. She was a life long Sunday school scholar and took a deep interest in the lessons.

The funeral was preached at her home Friday afternoon by Rev. Beggs of Arcadia, and the remains laid to rest in Evergreen cemetery.

There was a large attendance at the funeral. The casket was laden with flowers.

A precious one from us is gone,
A voice we loved is stilled;
A place is vacant in our home,
Which never can be filled.

We loved her yes we loved her
But Angels loved her more,
And they have sweetly called her
To yonder shining shore,
Where we shall surely meet her
When our trials on earth are o'er.

AN EXPENSIVE JOY RIDE.

Sunday morning when Mike Mendyk and family left the Catholic church and prepared to go home in their auto they found the machine was gone, and as no one showed up with it within a reasonable time it was taken for granted that the machine had been stolen and all the neighboring towns were advised to be on the look-out for it, by Sheriff Williams. Nothing was heard from the machine until about five o'clock that evening when Wallace Dymek drove into town with it. Young Dymek was immediately taken into custody by Sheriff Williams and told the sheriff that he had been to Grand Island and back having made that trip to see about a motorcycle that the trip to see about a motorcycle that the trip to see about a motorcycle that

Young Dymek was locked in jail and the next morning County Attorney Stephens made out a complaint against him, charging him with unlawfully taking the automobile, to which charge he pleaded guilty before County Judge Smith and was fined \$100 and costs, amounting in all to \$110.35, paying part of the fine, and will probably have to lay out the balance of it, \$100.00, and costs is the minimum fine for unlawfully taking an automobile as the law is very plain on that point, as follows:

Section 1. Unlawful Taking Automobile.—Whoever wrongfully takes any automobile or motorcycle from a garage or any other place where the same may have been lawfully placed, without the consent of the owner, with intent to wrongfully use the automobile or motorcycle so taken, shall be fined in any sum not less than three hundred dollars and nor more than three hundred dollars and nor more than three months, nor more than six months and shall also be liable to the party injured in double the amount of damages sustained.

SOLDIER BOYS ARE GONE.

Monday of this week is a day that will be remembered for a long time by many of the residents of Loup City and Sherman county, the day when a number of our soldier boys answered the call and went to Grand Island to join their company.

The boys left at one p. m. and probably a thousand people were at the depot to bid them goodbye. The band played several stirring selections and veterans of the civil war were present with Old Glory. There was not a dry eye in the crowd and after all the goodbyes had been said and the train had pulled out the people silently departed for their homes and business hours. Thus had the real meaning of the war been brought to our attention more forcibly than ever before in the departure of our young manhood to defend the liberty which we now enjoy.

Those going at this time were Joseph C. Prichard, Irvin Rowe, Harold Hancock, Charles May, Dwight Willis, Lelon Lofholm, Clifford Cox, Charles Gerkin of Ord to join Company I and Ralph Bennett of Arcadia. James Gilber left on the early morning train for Lincoln to join the Fifth Regiment at Band, a number being at the depot to bid him goodbye.

The boys will be in camp for a week or ten days and then go to Fort Crook near Omaha where they will receive their equipment and supplies and then will be taken to Deming, New Mexico for training. Daily papers, however, report that most of the boys will be taken to France and receive training here immediately after being sworn into the Federal service on August 5.

LOUP CITY MAN HONORED.

Dr. O. E. Longacre has received a commission in the Medical Reserve Corps and will probably be called to active duty in the near future. The doctor will have the rank and receive the pay of First Lieutenant. This is a splendid appointment and is in recognition of service performed in the Philippines during the Spanish-American war in that department and also his ability as a physician and surgeon. Dr. Longacre will prove a valuable man in the service, as his experience in the Philippines was an experience that will come in handy, to gether with his experience as a general practitioner, and the government has been quick to recognize the value of his services, his appointment being the result. Dr. Longacre is intensely patriotic and is glad to serve our country in the service assigned him.
