Not a very liberal Monday's run of hogs showed up, about 5,000 head, and largely for this reason the demand was keen and the market active and about 10¢ higher than the close of last week. Choice heavy butcher hogs sold as high as \$15.40 and the bulk of the trading was around \$14.45 to \$14.70. Prices were 20¢ to 30¢ lower than on the previous Monday.

Sheep supplies were rather large, about 8,700 head, but demand from both packers and feeders was good for the desirable offerings and prices ruled about steady. Off quality stuff was slow sale and lower and there was a very weak undertone throughout. Best spring range lambs sold around \$15.00 to \$15.50.

Quotations on sheep and lambs: Lambs, good to choice, \$15.35 to \$15.60; lambs, fair to good, \$14.75 to \$15.35; lambs, culls, \$13.00 to \$14.75; lambs, feeders, \$14.25 to \$15.25; yearlings, range, \$9.50 to \$10.25; yearlings, feeders, \$10.50 to \$11.75; wethers, fair to choice, \$9.00 to \$9.75; ewes, fair to choice, \$8.00 to \$9.00; ewes, culls and feeders, \$6.00 to \$7.50.

We sure enjoy reading the letters that are published in the Ashton Herald and Northwestern from our boys who are in the war zone. It gives us an idea of what they are doing and how well satisfied they are. The letters are interesting to us all.

Mr. and Mrs. Tony Orent met with what might have been a serious accident, Saturday, when returning from Loup City. They were nearly home when the tongue on the buggy broke causing the horses to get frightened, throwing Mr. and Mrs. Orent out and bruising them up considerably. We are glad to report that nothing more than a few bruises happened to the old couple.

There are a great many people who would be very much benefited by taking Chamberlain's Tablets for a weak or disordered stomach. Are you one of them? Mrs. M. R. Searle, Baldwinville, N. Y., relates her experience in the use of these tablets: "I had a bad spell with my stomach about six months ago, and was troubled for two or three weeks with gas and severe pains in the pit of my stomach. Our druggist advised me to take Chamberlain's Tablets. I took a bottle home and the first dose relieved me wonderfully, and I kept on taking them until I was cured." These tablets do not relieve pain, but after the pain has been relieved may prevent its recurrence.

Now is the time to buy a bottle of this remedy so as to be prepared in case that any one of your family should have an attack of colic or diarrhoea during the summer months. It is worth a hundred times its cost when needed.

Beats burying them. Steve Hoover, Mt. Pleasant, Iowa, writes, "Commenced feeding my herd of about 100 hogs B. A. Thomas' Hog Powder over two months ago. Fifty were sick and off feed. Nearby herds had cholera. I did not lose one—they are well and growing fast."—J. J. Slominski.

Last Sunday there was a real base ball game on the Deer Creek diamond between the Rockville first team and the Deer Creek Tigers. A large crowd of fans from every precinct were present to witness the game. The score was 6 to 8 in Rockville's favor. Maciejewski tossed for the Deer Creek while big Walter Treon of Boelus smoked them over for Rockville. He is said to be the best pitcher of the last year's Sherman-Howard league team. He has been using some of the Walter Johnson speed balls and that was too much for Deer Creek. We may play some more games like that and will then be up with their league. We challenge any of the big teams.

The Kaiser's Fate (To the tune of Old Gray Bonnet) In Berlin there once resided, Just a monarch who decided That he'd rule the world some day And he made his calculations, How he'd subjugate the nations That opposed his ruthless sway. Indemnities he'd levy, And he'd make them good and heavy, While his submarines would help the war to win, But those maimed and bleeding nations Saw the dawn of their salvation, When our Uncle Sam stepped in. (Chorus) He held the flag of freedom, To victory he'll lead them 'Neath the folds of our own Red, White and Blue, And this selfish Kaiser Will be somewhat wiser, When our Uncle Sam gets through When he hears those legions singing, And the bells of freedom ringing, Their glad tidings to the skies Then perhaps he'll change his notion, When he sees our lands devotion, To a cause that never dies Children's faces then will taunt him Children's faces then will taunt him That he murdered in his cruel heart- less way, Then he'll realize his error, And his heart will fill with terror For the coming judgment day.
