Dr. O. E. Longacre has received his commission with the rank of first lieutenant and will report at Fort Riley, Kansas, the last of August. Dr. Longacre will probably be among the very first to go to France, as his previous military training makes him a very valuable man in the service.

Mrs. Wm. Dolling lost a pocketbook containing several dollars in change Wednesday evening and on Thursday morning phoned the Northwestern to place an ad in the paper and in one hour after ordering the ad, and before the paper was printed, the pocketbook was found by Cliff Thornton, who returned it to the owner.

Library day at Jenner's Park Tuesday was not patronized as well as it should have been, but a fair sized crowd attended the ball game between Arcadia and Loup City in the afternoon and the vaudeville in the evening was much enjoyed. A small sum was realized which will be used for the benefit of the new library and the ladies of the Unity Club are to be commended for their efforts to raise money for that purpose.

Charley May was discharged because of dependent relatives. Company M. will soon leave Grand Island for Fort Crook, near Omaha and from there will go to Fort Deming, New Mexico, for a few months' training and then to France. Cash Prichard, Dwight Willis, Harold Hancock and Leion Lofholm were home over Sunday, which will probably be their last visit here as they expect to go to Fort Crook this week.

## SOLDIERS NEED WRISTLETS.

Girls, have you been knitting wristlets for the soldiers in France—our own soldier boys? They need them.

Colonel Daniel E. McCarthy, Chief Quartermaster of General Pershing's army, writes from France to thank the ladies of our country for the splendid work they are doing in knitting so many wristlets for the boys, and to assure them that as fast as he receives them they will be distributed to the troops.

Colonel McCarthy asks the editor to say to the ladies that he is so extremely busy in caring for the troops that he simply can not get time in which to answer all of the letters that are reaching him, but that he is deeply grateful for all that is being done by the women of our country. He trusts they will keep up the good work so nobly begun. From now on wristlets as knitted should be sent direct to Colonel McCarthy himself. He requests that you address your packages as follows:

COL. DANIEL E. MCCARTHY, Chief Q. M. American Exp. Forces in France, care Depot Q. M., New York City, N. Y.

The Depot Quartermaster at New York will forward them on to Col. McCarthy in France, and they will be distributed among the soldier boys who are fighting our battles. The editor hopes the ladies of this community will be generous in their responses. We can not do too much for the soldiers who are doing and giving up so much for us.

## MARRIED.

On Sunday evening, July 28, Henry Schuman, of Glenrock, Wyo., and Miss Hazel Winkelman of Loup City, were united in marriage at the Presbyterian church manse, Rev. E. M. Steen saying the words that united them for life.

Both Mr. and Mrs. Schuman are well and favorably known by almost everyone in Loup City and vicinity and congratulations are extended by all. They departed for Glenrock, Wyo., on the Monday morning train and pulled off a surprise on their many friends who were at the trains to see them depart by going to Rockville in an auto and boarding the train there. However, the ones who were fooled so nicely decorated the train in good shape with banners and plenty of rice scattered and fixed up a seat and gave the train men instructions to escort the newly weds to that seat when they boarded the train at Rockville.

Mr. and Mrs. Schuman will make their home on Mr. Schuman's homestead near Glenrock, Wyoming.

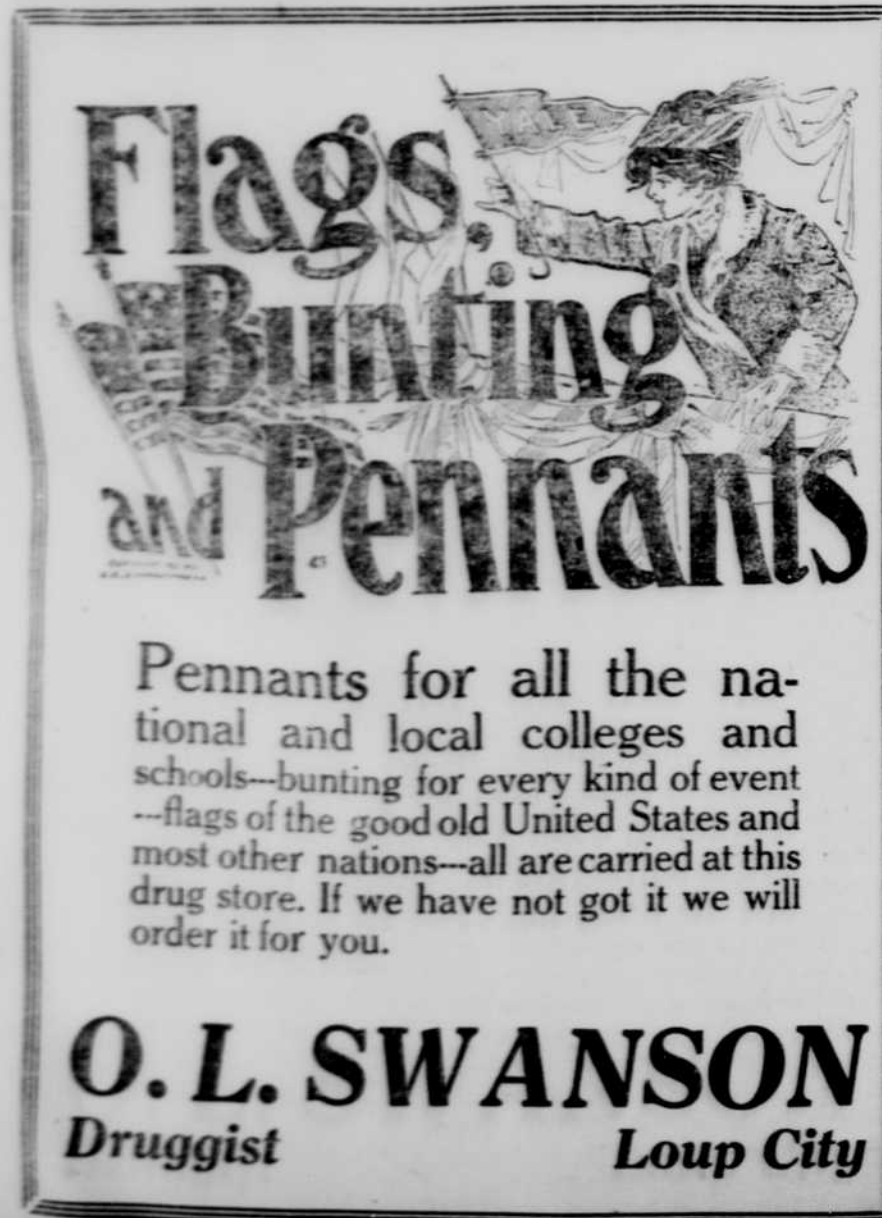

## MONUMENT TO OUR HEROES.

A beautiful monument has been placed in Evergreen cemetery in a morium of the soldier heroes of 1861-5. The monument stands about ten feet high and a bronze eagle, with wings spread, adorns the top. The eagle is forty inches from tip to tip. The money to purchase this monument was raised by popular subscription and all donors and the amounts given will be published in the Loup City newspapers in the near future.

The monument was purchased from the Desch Monument Co., of Central City and the work on the monument was done by Mr. Palmer their sales man, who is an expert in that line.

The monument is made from what is called berry granite and is a fitting and silent tribute to the brave boys of 1861-65, who have gone to their reward.

The barn on Wm. Lewandowski's farm ten miles northeast of Loup City was completely destroyed by fire last Saturday afternoon. It is believed that the fire was caused by spontaneous combustion in alfalfa that had heated. The farm is occupied by Charles Peterson, who lost a large quantity of alfalfa, corn, oats and some harness and farm machinery in the fire.
