Thrift must repair the waste of extravagance.  
Huge fortunes are built from small thrifty beginnings.  
Really great men are thrifty.  
In thrift lies the antidote for poverty.  
Financial independence is the result of thrift.  
Thrift is a virtue which brings its own reward.

We have some beautiful accounts which are the happy result of thrift and that alone. From any standpoint it pays. Come to us for the safeguarding of your savings.

**CORN MACHINERY**

The Agricultural College of Nebraska shows corn fodder cut and cured at right time carried 012 per cent fat or as much nutrient as prairie hay, sorghum or millet, almost as much feed value as alfalfa hay. You can sell your alfalfa hay from \$14.00 to \$16.00 per ton, prairie hay \$8.00 to \$12.00. I would advise cutting your corn fodder and save your hay.  
Having bought several Deering corn binders early, can save you \$10.00 to \$15.00 by placing your order now. It is the only binder made that will cut and bind all sizes of corn. Can see samples at my store.  
Can furnish you with two and four rolls shredders that will shuck and shred your corn that a six and eight horse power gas engine will run.
